## **MATERNITY LEAVE POLICY**

The purpose of **Maternity Leave** is to allow a pregnant employee reasonable time off from work on the basis that she is physically incapacitated and medically disabled and unable to perform her job.

The idea that an employee can be approved for several months of unpaid Maternity Leave up to the labor contract limit simply because she is pregnant or has delivered a child is a misinterpretation and simply not true. The length of time for which the employee is approved for Maternity Leave all depends on the length of time she is medically disabled and can document the disability via a Medical Certificate.

Public Act No. 73-647, effective October 1, 1973, modifies Section 31-126 of the General Statutes and makes it an unfair employment practice:

“(g) for an employer, by himself or his agent, (i) to terminate a woman’s employment because of her pregnancy, or (ii) to refuse to grant to said employee a reasonable leave of absence for disability resulting from such pregnancy, or (iii) to deny to said employee, who is disabled as a result of pregnancy, any compensation to which she is entitled as a result of accumulation of disability or leave benefits accrued pursuant to plans maintained by said employer. Upon signifying her intent to return, such employee shall be reinstated to her original job or to an equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits and other service credits unless, in the case of a private employer, the employee’s circumstances have so changed as to make it impossible or unreasonable to do so.”

In accordance with this Statute, the following policy and procedure shall be adopted to cover the disability situations resulting from pregnancy:

“Disability” is defined as the hospital stay and any period of time prior to and subsequent to delivery certified by the attending physician as that period of time when an employee is unable to perform the requirements of her job. Obviously, the period of disability will vary with the individual. Depending upon the circumstances, this certification may be reviewed by an approved State physician.

- 1) During the period of disability, sick leave shall be granted under exactly the same terms and conditions sick leave would be granted for any other disability.
- 2) Upon expiration of sick leave, the employee may request, and shall be granted, the use of vacation, personal time and earned time.
- 3) Upon expiration of paid leave, the employee must request, and shall be granted a leave of absence without pay, position held. The total period of leave of absence without pay with position being held shall not exceed three (3) months following the date of delivery. A request to continue on a leave of absence beyond this three (3) month period must be in writing. If granted, the position may or may not be held for this extended period subject to the appointing authority’s decision.

<b>ATLAS PAINTING AND SHEETING CORPORATION</b>	
<b>Approved by:</b> 	<b>ATLAS EEO / AFFIRMATIVE ACTION POLICY &amp; PROCEDURES</b>

### **MATERNITY LEAVE POLICY (Continued)**

All requests for leave under this policy must be submitted, in writing, to the appointing authority accompanied by an acceptable medical certificate. This request shall contain the following information:

- 1) The expected date of delivery.
- 2) Anticipated use of sick leave, vacation, personal leave and earned time.
- 3) Intentions of returning to work.

The rules and regulations governing the use and submission of medical certificates shall apply, except that the doctor's original medical certificate will be accepted for absence due to pregnancy disability up to four (4) weeks after delivery. (Further absence will require additional medical certificates in accordance with normal procedures.) **Note:** Nursing of a child, per se, **will not** be considered disability for sick leave purposes. All leaves of absence without pay in excess of five (5) consecutive working days, will be subject to the approval of the Chief Administrative Officer.

### **COMPLAINT PROCEDURE**

The Complaint procedure will address discrimination complaints regarding race, color, religion, age, sex, marital status, physical disability (including but not limited to blindness), criminal record, national origin or ancestry of medical disorder (or history thereof), from both current and prospective employees. These individuals have the right to make full utilization of this Complaint Procedure without in any way jeopardizing their current or prospective employment status.

The components of the Complaint Procedure are the following:

- 1) The Equal Opportunity Employment Officer will receive all written complaints of discrimination. These may be direct from the employee or upon referral from a supervisor who has received a complaint from an employee.
- 2) All discrimination complaints filed under this procedure will be accepted for investigation up to and including thirty (30) days after the date of the alleged discrimination act.
- 3) All complaints will be recorded on the "Notice of Discrimination Complaint" form and signed by the complainant. At this time, the complainant will be counseled as to the other avenues of redress open to him or her; i.e., the complaint procedure of the Commission on Human Rights and Opportunities and/or the Connecticut Department of Transportation's Division of Contract Compliance.
- 4) The Division of Contract Compliance and the Transportation Commissioner will be notified simultaneously of all complaints and the ultimate resolution of the complaint.
- 5) All complaints will be investigated and processed by the company's Equal Employment Opportunity Officer within thirty (30) days after their receipt.
- 6) The complainant will be notified, in writing, by the Equal Employment Opportunity Officer regarding the results of the investigation and the final disposition of the complaint, including any proposed remedial action.
- 7) Should the complainant disagree with the Equal Employment Opportunity Officer's decision, he/she can still avail himself/herself of any, or all the other avenues of redress previously explained (see #3).
- 8) In the event of the complaint against the Equal Employment Opportunity Officer, complainants will be advised to utilize the Commission on Human Rights and Opportunities complaint procedure.
- 9) The Equal Employment Opportunity Officer will take the necessary steps to ensure the confidentiality of all Title VII complaint records and of any counseling done in the course of the complaint procedure.

### **SEXUAL HARASSMENT POLICY**

It is established policy of Atlas Painting And Sheeting Corporation to ensure equal employment opportunity and to prevent discrimination in all practices. Sexual harassment is a type of sex discrimination. It is prohibited by Title VIII of the Civil Rights Act, as amended, and by Connecticut General Statute 46a-60 (a) (8) as a Discriminatory Employment Practice.

Sexual Harassment is defined as “Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when (1) submission to such conduct is made whether explicitly or implicitly a term or condition of an individual’s employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of substantially interfering with an individual’s work performance or creating an intimidating, hostile or offensive working environment.” In addition, Sexual Harassment can include crude or offensive language or jokes of a sexual nature.

Sexual Harassment will not be tolerated by Atlas Painting And Sheeting Corporation and will be grounds for disciplinary action. Complaints of sexual harassment will be processed by our Equal Employment Opportunity Officer through the established Affirmative Action Complaint Procedure.

It is not Atlas Painting And Sheeting Corporation’s intention to regulate social relationships that are freely entered into by employees. However, it is our affirmative duty to develop and maintain a work place free of sexual harassment and intimidation. We expect the full support and cooperation of every employee to achieve this goal.

### **GENDER EXPRESSION NON-DISCRIMINATION**

On January 25, 2019, New York State enacted the Gender Expression Non-Discrimination Act (“GENDA”) prohibiting employers from discharging, refusing to hire or discriminating against an individual on the basis of gender identity or expression. The new law defines gender identity or expression as “a person’s actual or perceived gender-related identity, appearance, behavior, expression or other gender-related characteristic regardless of the sex assigned to that person at birth, including, but not limited to, the status of being transgender.” While GENDA codifies the prohibition against gender identity or expression discrimination, such protections previously existed under the New York State Human Rights Law’s prohibition against sex discrimination. In light of GENDA’s enactment, employers should review their equal employment opportunity and sexual harassment policies and, if necessary, revise them to include gender identity and expression as protected categories.

Required Notice under Article 25-B of the Labor Law

**Attention All Employees, Contractors and Subcontractors:  
You are Covered by the Construction Industry Fair Play Act**

**The law says that you are an employee unless:**

- You are free from direction and control in performing your job, **and**
- You perform work that is not part of the usual work done by the business that hired you, **and**
- You have an independently established business.

Your employer cannot consider you to be an independent contractor unless all three of these facts apply to your work.

**It is against the law for an employer to misclassify employees as independent contractors or pay employees off the books.**

**Employee Rights:** If you are an employee, you are entitled to state and federal worker protections. These include:

- Unemployment Insurance benefits, if you are unemployed through no fault of your own, able to work, and otherwise qualified,
- Workers' compensation benefits for on-the-job injuries,
- Payment for wages earned, minimum wage, and overtime (under certain conditions),
- Prevailing wages on public work projects,
- The provisions of the National Labor Relations Act, and
- A safe work environment.

It is a violation of this law for employers to retaliate against anyone who asserts their rights under the law. Retaliation subjects an employer to civil penalties, a private lawsuit or both.

**Independent Contractors:** If you are an independent contractor, **you must pay all taxes and Unemployment Insurance contributions required by New York State and Federal Law.**

**Penalties** for paying workers off the books or improperly treating employees as independent contractors:

- **Civil Penalty**
  - First offense: Up to \$2,500 per employee
  - Subsequent offense(s): Up to \$5,000 per employee
- **Criminal Penalty**
  - First offense: Misdemeanor - up to 30 days in jail, up to a \$25,000 fine and debarment from performing public work for up to one year.
  - Subsequent offense(s): Misdemeanor - up to 60 days in jail or up to a \$50,000 fine and debarment from performing public work for up to 5 years.

**Section 195.5 of the New York State Labor Law effective December 12, 1981 provides as follows:**

*“Every employer shall notify his employees in writing or by publicly posting the employer’s policy on sick leave, vacation, personal leave, holidays and hours.”*

**To assist employers in complying with this provision, the Division of Labor Standards has issued the following guidelines:**

1. An employer shall distribute in writing to each employee, the employer’s policy on the above- enumerated items. The employer upon the request of the Department must be able to affirmatively demonstrate that such written notification was provided to employees by means, which may include, but not be limited to, distribution through company newspapers or newsletters or by inclusion in a company payroll.

*Or*

An employer shall post and keep posted in each establishment in a conspicuous place where notices to employees are customarily posted, a notice that states where on the employer’s premises they may see such information in writing. Deviations for an employee from such stated policy must be given to said employee in writing.

**5. Relief.** In any action brought pursuant to subdivision four of this section, the court may order relief as follows:

Department of  
Veterans' Services

WE ARE YOUR DOL

Department  
of Labor

The New York State Public Employee Safety and Health Act of 1980 provides job safety and health protection for workers through the promotion of safe and healthful working conditions throughout the State. Requirements of the Act include the following:

**Employers**

Employers must provide employees with a workplace that is:

- free from recognized hazards,
- in compliance with the safety and health standards that apply to the workplace, and
- in compliance with any other regulations issued under the PESH Act by the Commissioner of Labor.

**Employees**

Employees must comply with all safety and health standards that apply to their actions on the job. Employees must also comply with any regulations issued under the PESH Act that apply to their job.

**ENFORCEMENT**

The New York State Department of Labor administers and enforces the PESH Act. The Commissioner of Labor issues safety and health standards. The Department’s Division of Safety and Health (DOSH) has Inspectors and Hygienists who inspect workplaces to make sure they are following the PESH Act.

**Inspection**

When DOSH staff inspect a workplace, a representative of the employer and a representative approved by the employees must be allowed to help with the inspection. When there is no employee-approved representative, DOSH staff must speak with a fair number of employees about the safety and health conditions in the workplace.

**Discrimination**

Employees may not be fired or discriminated against in any way for filing safety and health complaints or otherwise exercising their rights under the Act.

If an employee believes that they have been discriminated against, he or she may file a complaint with the nearest DOSH office. File this complaint within 30 days of the discrimination incident.

**Order to Comply**

If the Department believes an employer has violated the PESH Act, we will issue an order to comply notice to the employer. The order will list dates by which each violation must be fixed. If violations are not fixed by those dates, the employer may be fined. The order to comply must be posted at or near the place of violation, where it can be easily seen. This is to warn employees that a danger may exist.

**Complaint**

Any interested person may file a complaint if they believe there are unsafe or unhealthful conditions in a public workplace. This includes:

- An employee
- A representative of an employee
- Groups of employees
- A representative of a group of employees

Make this complaint in writing to the nearest DOSH office or by email to: **Ask.SHNYPESH@labor.ny.gov**

On request, DOSH will not release the names of any employees who file a complaint. The Department of Labor will evaluate each complaint. The Department will notify the person who made the complaint of the results of the investigation.

These complaints may also be made to the United States Department of Labor, Occupational Safety and Health Administration online at: **www.osha.gov**.

**Voluntary Activity**

The Department of Labor encourages employers and employees to voluntarily:

- reduce workplace hazards, and
- develop and improve safety & health programs in all workplaces.

The Division of Safety and Health can provide free help with identifying and correcting job site hazards. Employers may request this assistance on a voluntary basis by emailing: **Ask.SHNYPESH@labor.ny.gov**.

Applicability.** The provisions of this article shall apply to any application by any person for a license or employment at any public or private employer, who has previously been convicted of one or more criminal offenses in this state or in any other jurisdiction, and to any license or employment held by any person whose conviction of one or more criminal offenses in this state or in any other jurisdiction preceded such employment or granting of a license, except where a mandatory forfeiture, disability or bar to employment is imposed by law, and has not been removed by an executive pardon, certificate of relief from disabilities or certificate of good conduct. Nothing in this article shall be construed to affect any right an employer may have with respect to an intentional misrepresentation in connection with an application for employment made by a prospective employee or previously made by a current employee.

**§752. Unfair discrimination against persons previously convicted of one or more criminal offenses prohibited.** No application for any license or employment, and no employment or license held by an individual, to which the provisions of this article are applicable, shall be denied or acted upon adversely by reason of the individual's having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when such finding is based upon the fact that the individual has previously been convicted of one or more criminal offenses, unless:

(1) There is a direct relationship between one or more of the previous criminal offenses and the specific license or employment sought or held by the individual; or

(f) The seriousness of the offense or offenses.

(g) Any information produced by the person, or produced on his behalf, in regard to his rehabilitation and good conduct.

(h) The legitimate interest of the public agency or private employer in protecting property, and the safety and welfare of specific individuals or the general public.

2. In making a determination pursuant to section seven hundred fifty-two of this chapter, the public agency or private employer shall also give consideration to a certificate of relief from disabilities or a certificate of good conduct issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified therein.

**§754. Written statement upon denial of license or employment.** At the request of any person previously convicted of one or more criminal offenses who has been denied a license or employment, a public agency or private employer shall provide, within thirty days of a request, a written statement setting forth the reasons for such denial.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide

employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007

in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

---

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

=====

END OF GENERAL DECISIO"

**STATE PREVAILING WAGE RATES**

The New York State Department of Labor (NYSDOL) has issued a project-specific prevailing wage rate schedule for this Contract. The New York State Labor Law requires the Contractor and all subcontractors to ensure that all workers employed in the performance of a public work contract are paid not less than the prevailing wage rate and supplemental (fringe) benefits in the locality where the work is performed.

The project-specific prevailing wage rate schedule, together with all updates and amendments, is incorporated by reference in this Contract, and made a part hereof, as though fully set forth herein. The schedule may be accessed by visiting the NYSDOL website, navigating to the appropriate web page for prevailing wages, and entering the Prevailing Rate Case Number (PRC#). The PRC# is found on NYSDOL Form PW-200, the following page in this Contract Proposal. The project-specific prevailing wage rate schedule and all wage rate amendments are annexed electronically through the following link:

## General Provisions of Laws Covering Workers on Article 8 Public Work Contracts

### Introduction

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed.

### Responsibilities of the Department of Jurisdiction

A Department of Jurisdiction (Contracting Agency) includes a state department, agency, board or commission; a county, city, town or village; a school district, board of education or board of cooperative educational services; a sewer, water, fire, improvement and other district corporation; a public benefit corporation; and a public authority awarding a public work contract.

The Department of Jurisdiction (Contracting Agency) awarding a public work contract MUST obtain a Prevailing Rate Schedule listing the hourly rates of wages and supplements due the workers to be employed on a public work project. This schedule may be obtained by completing and forwarding a "Request for wage and Supplement Information" form (PW 39) to the Bureau of Public Work. The Prevailing Rate Schedule MUST be included in the specifications for the contract to be awarded and is deemed part of the public work contract.

Upon the awarding of the contract, the law requires that the Department of Jurisdiction (Contracting Agency) furnish the following information to the Bureau: the name and address of the contractor, the date the contract was let and the approximate dollar value of the contract. To facilitate compliance with this provision of the Labor Law, a copy of the Department's "Notice of Contract Award" form (PW 16) is provided with the original Prevailing Rate Schedule.

The Department of Jurisdiction (Contracting Agency) is required to notify the Bureau of the completion or cancellation of any public work project. The Department's PW 200 form is provided for that purpose.

Both the PW 16 and PW 200 forms are available for completion [online](#).

### Hours

No laborer, worker, or mechanic in the employ of a contractor or subcontractor engaged in the performance of any public work project shall be permitted to work more than eight hours in any day or more than five days in any week, except in cases of extraordinary emergency. The contractor and the Department of Jurisdiction (Contracting Agency) may apply to the Bureau of Public Work for a dispensation permitting workers to work additional hours or days per week on a particular public work project.

### Wages and Supplements

The wages and supplements to be paid and/or provided to laborers, workers, and mechanics employed on a public work project shall be not less than those listed in the current Prevailing Rate Schedule for the locality where the work is performed. If a prime contractor on a public work project has not been provided with a Prevailing Rate Schedule, the contractor must notify the Department of Jurisdiction (Contracting Agency) who in turn must request an original Prevailing Rate Schedule from the Bureau of Public Work. Requests may be submitted by: mail to NYSDOL, Bureau of Public Work, State Office Bldg. Campus, Bldg. 12, Rm. 130, Albany, NY 12226; Fax to Bureau of Public Work (518) 485-1870; or electronically at the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

Upon receiving the original schedule, the Department of Jurisdiction (Contracting Agency) is REQUIRED to provide complete copies to all prime contractors who in turn MUST, by law, provide copies of all applicable county schedules to each subcontractor and obtain from each subcontractor, an affidavit certifying such schedules were received. If the original schedule expired, the contractor may obtain a copy of the new annual determination from the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

The Commissioner of Labor makes an annual determination of the prevailing rates. This determination is in effect from July 1st through June 30th of the following year. The annual determination is available on the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

### Payrolls and Payroll Records

Every contractor and subcontractor MUST keep original payrolls or transcripts subscribed and affirmed as true under penalty of perjury. As per Article 6 of the Labor law, contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records. At a minimum, payrolls must show the following information for each person employed on a public work project: Name, Address, Last 4 Digits of Social Security Number, Classification(s) in which the worker was employed, Hourly wage rate(s) paid, Supplements paid or provided, and Daily and weekly number of hours worked in each classification.

The filing of payrolls to the Department of Jurisdiction is a condition of payment. Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury. The Department of Jurisdiction (Contracting Agency) shall collect, review for facial validity, and maintain such payrolls.

In addition, the Commissioner of Labor may require contractors to furnish, with ten (10) days of a request, payroll records sworn to as their validity and accuracy for public work and private work. Payroll records include, but are not limited to time cards, work description sheets, proof that supplements were provided, cancelled payroll checks and payrolls. Failure to provide the requested information within the allotted ten (10) days will result in the withholding of up to 25% of the contract, not to exceed \$100,000.00. If the contractor or subcontractor does not maintain a place of business in New York State and the amount of the contract exceeds \$25,000.00, payroll records and certifications must be kept on the project worksite.

The prime contractor is responsible for any underpayments of prevailing wages or supplements by any subcontractor.

All contractors or their subcontractors shall provide to their subcontractors a copy of the Prevailing Rate Schedule specified in the public work contract as well as any subsequently issued schedules. A failure to provide these schedules by a contractor or subcontractor is a violation of Article 8, Section 220-a of the Labor Law.

All subcontractors engaged by a public work project contractor or its subcontractor, upon receipt of the original schedule and any subsequently issued schedules, shall provide to such contractor a verified statement attesting that the subcontractor has received the Prevailing Rate Schedule and will pay or provide the applicable rates of wages and supplements specified therein. (See NYS Labor Laws, Article 8 . Section 220-a).

### **Determination of Prevailing Wage and Supplement Rate Updates Applicable to All Counties**

The wages and supplements contained in the annual determination become effective July 1st whether or not the new determination has been received by a given contractor. Care should be taken to review the rates for obvious errors. Any corrections should be brought to the Department's attention immediately. It is the responsibility of the public work contractor to use the proper rates. If there is a question on the proper classification to be used, please call the district office located nearest the project. Any errors in the annual determination will be corrected and posted to the NYSDOL website on the first business day of each month. Contractors are responsible for paying these updated rates as well, retroactive to July 1st.

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. To the extent possible, the Department posts rates in its possession that cover periods of time beyond the July 1st to June 30th time frame covered by a particular annual determination. Rates that extend beyond that instant time period are informational ONLY and may be updated in future annual determinations that actually cover the then appropriate July 1st to June 30th time period.

### **Withholding of Payments**

When a complaint is filed with the Commissioner of Labor alleging the failure of a contractor or subcontractor to pay or provide the prevailing wages or supplements, or when the Commissioner of Labor believes that unpaid wages or supplements may be due, payments on the public work contract shall be withheld from the prime contractor in a sufficient amount to satisfy the alleged unpaid wages and supplements, including interest and civil penalty, pending a final determination.

When the Bureau of Public Work finds that a contractor or subcontractor on a public work project failed to pay or provide the requisite prevailing wages or supplements, the Bureau is authorized by Sections 220-b and 235.2 of the Labor Law to so notify the financial officer of the Department of Jurisdiction (Contracting Agency) that awarded the public work contract. Such officer MUST then withhold or cause to be withheld from any payment due the prime contractor on account of such contract the amount indicated by the Bureau as sufficient to satisfy the unpaid wages and supplements, including interest and any civil penalty that may be assessed by the Commissioner of Labor. The withholding continues until there is a final determination of the underpayment by the Commissioner of Labor or by the court in the event a legal proceeding is instituted for review of the determination of the Commissioner of Labor.

The Department of Jurisdiction (Contracting Agency) shall comply with this order of the Commissioner of Labor or of the court with respect to the release of the funds so withheld.

### **Summary of Notice Posting Requirements**

The current Prevailing Rate Schedule must be posted in a prominent and accessible place on the site of the public work project. The prevailing wage schedule must be encased in, or constructed of, materials capable of withstanding adverse weather conditions and be titled "PREVAILING RATE OF WAGES" in letters no smaller than two (2) inches by two (2) inches.

The "[Public Work Project](#)" notice must be posted at the beginning of the performance of every public work contract, on each job site.

Every employer providing workers' compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers' Compensation Board in a conspicuous place on the jobsite.

Every employer subject to the NYS Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers, notices furnished by the State Division of Human Rights.

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the NYS Department of Labor.

## **Apprentices**

Employees cannot be paid apprentice rates unless they are individually registered in a program registered with the NYS Commissioner of Labor. The allowable ratio of apprentices to journeyworkers in any craft classification can be no greater than the statewide building trade ratios promulgated by the Department of Labor and included with the Prevailing Rate Schedule. An employee listed on a payroll as an apprentice who is not registered as above or is performing work outside the classification of work for which the apprentice is indentured, must be paid the prevailing journeyworker's wage rate for the classification of work the employee is actually performing.

NYSDOL Labor Law, Article 8, Section 220-3, require that only apprentices individually registered with the NYS Department of Labor may be paid apprenticeship rates on a public work project. No other Federal or State Agency or office registers apprentices in New York State.

Persons wishing to verify the apprentice registration of any person must do so in writing by mail, to the NYSDOL Office of Employability Development / Apprenticeship Training, State Office Bldg. Campus, Bldg. 12, Albany, NY 12226 or by Fax to NYSDOL Apprenticeship Training (518) 457-7154. All requests for verification must include the name and social security number of the person for whom the information is requested.

The only conclusive proof of individual apprentice registration is written verification from the NYSDOL Apprenticeship Training Albany Central office. Neither Federal nor State Apprenticeship Training offices outside of Albany can provide conclusive registration information.

It should be noted that the existence of a registered apprenticeship program is not conclusive proof that any person is registered in that program. Furthermore, the existence or possession of wallet cards, identification cards, or copies of state forms is not conclusive proof of the registration of any person as an apprentice.

## **Interest and Penalties**

In the event that an underpayment of wages and/or supplements is found:

- Interest shall be assessed at the rate then in effect as prescribed by the Superintendent of Banks pursuant to section 14-a of the Banking Law, per annum from the date of underpayment to the date restitution is made.
- A Civil Penalty may also be assessed, not to exceed 25% of the total of wages, supplements, and interest due.

## **Debarment**

Any contractor or subcontractor and/or its successor shall be ineligible to submit a bid on or be awarded any public work contract or subcontract with any state, municipal corporation or public body for a period of five (5) years when:

- Two (2) willful determinations have been rendered against that contractor or subcontractor and/or its successor within any consecutive six (6) year period.
- There is any willful determination that involves the falsification of payroll records or the kickback of wages or supplements.

## **Criminal Sanctions**

Willful violations of the Prevailing Wage Law (Article 8 of the Labor Law) may be a felony punishable by fine or imprisonment of up to 15 years, or both.

## **Discrimination**

No employee or applicant for employment may be discriminated against on account of age, race, creed, color, national origin, sex, disability or marital status.

No contractor, subcontractor nor any person acting on its behalf, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates (NYS Labor Law, Article 8, Section 220-e(a)).

No contractor, subcontractor, nor any person acting on its behalf, shall in any manner, discriminate against or intimidate any employee on account of race, creed, color, disability, sex, or national origin (NYS Labor Law, Article 8, Section 220-e(b)).

The Human Rights Law also prohibits discrimination in employment because of age, marital status, or religion.

There may be deducted from the amount payable to the contractor under the contract a penalty of \$50.00 for each calendar day during which such person was discriminated against or intimidated in violation of the provision of the contract (NYS Labor Law, Article 8, Section 220-e(c) ).

The contract may be cancelled or terminated by the State or municipality. All monies due or to become due thereunder may be forfeited for a second or any subsequent violation of the terms or conditions of the anti-discrimination sections of the contract (NYS Labor Law, Article 8, Section 220-e(d) ).

Every employer subject to the New York State Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers notices furnished by the State Division of Human Rights.

### **Workers' Compensation**

In accordance with Section 142 of the State Finance Law, the contractor shall maintain coverage during the life of the contract for the benefit of such employees as required by the provisions of the New York State Workers' Compensation Law.

A contractor who is awarded a public work contract must provide proof of workers' compensation coverage prior to being allowed to begin work.

The insurance policy must be issued by a company authorized to provide workers' compensation coverage in New York State. Proof of coverage must be on form C-105.2 (Certificate of Workers' Compensation Insurance) and must name this agency as a certificate holder.

If New York State coverage is added to an existing out-of-state policy, it can only be added to a policy from a company authorized to write workers' compensation coverage in this state. The coverage must be listed under item 3A of the information page.

The contractor must maintain proof that subcontractors doing work covered under this contract secured and maintained a workers' compensation policy for all employees working in New York State.

Every employer providing worker's compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers' Compensation Board in a conspicuous place on the jobsite.

### **Unemployment Insurance**

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the New York State Department of Labor.

## **Budget Policy & Reporting Manual**

# **B-610**

### **Public Work Enforcement Fund**

*effective date December 7, 2005*

---

#### **1. Purpose and Scope:**

This Item describes the Public Work Enforcement Fund (the Fund, PWEF) and its relevance to State agencies and public benefit corporations engaged in construction or reconstruction contracts, maintenance and repair, and announces the recently-enacted increase to the percentage of the dollar value of such contracts that must be deposited into the Fund. This item also describes the roles of the following entities with respect to the Fund:

- New York State Department of Labor (DOL),
- The Office of the State of Comptroller (OSC), and
- State agencies and public benefit corporations.

#### **2. Background and Statutory References:**

DOL uses the Fund to enforce the State's Labor Law as it relates to contracts for construction or reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law. State agencies and public benefit corporations participating in such contracts are required to make payments to the Fund.

Chapter 511 of the Laws of 1995 (as amended by Chapter 513 of the Laws of 1997, Chapter 655 of the Laws of 1999, Chapter 376 of the Laws of 2003 and Chapter 407 of the Laws of 2005) established the Fund.

#### **3. Procedures and Agency Responsibilities:**

The Fund is supported by transfers and deposits based on the value of contracts for construction and reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law, into which all State agencies and public benefit corporations enter.

Chapter 407 of the Laws of 2005 increased the amount required to be provided to this fund to .10 of one-percent of the total cost of each such contract, to be calculated at the time agencies or public benefit corporations enter into a new contract or if a contract is amended. The provisions of this bill became effective August 2, 2005.

**To all State Departments, Agency Heads and Public Benefit Corporations  
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

OSC will report to DOL on all construction-related ("D") contracts approved during the month, including contract amendments, and then DOL will bill agencies the appropriate assessment monthly. An agency may then make a determination if any of the billed contracts are exempt and so note on the bill submitted back to DOL. For any instance where an agency is unsure if a contract is or is not exempt, they can call the Bureau of Public Work at the number noted below for a determination. Payment by check or journal voucher is due to DOL within thirty days from the date of the billing. DOL will verify the amounts and forward them to OSC for processing.

For those contracts which are not approved or administered by the Comptroller, monthly reports and payments for deposit into the Public Work Enforcement Fund must be provided to the Administrative Finance Bureau at the DOL within 30 days of the end of each month or on a payment schedule mutually agreed upon with DOL.

Reports should contain the following information:

- Name and billing address of State agency or public benefit corporation;
- State agency or public benefit corporation contact and phone number;
- Name and address of contractor receiving the award;
- Contract number and effective dates;
- Contract amount and PWEF assessment charge (if contract amount has been amended, reflect increase or decrease to original contract and the adjustment in the PWEF charge); and
- Brief description of the work to be performed under each contract.

Checks and Journal Vouchers, payable to the "New York State Department of Labor" should be sent to:

Department of Labor  
Administrative Finance Bureau-PWEF Unit  
Building 12, Room 464  
State Office Campus

Any questions regarding billing should be directed to NYSDOL's Administrative Finance Bureau-PWEF Unit at (518) 457-3624 and any questions regarding Public Work Contracts should be directed to the Bureau of Public Work at (518) 457-5589.

## Introduction to the Prevailing Rate Schedule

### Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

#### Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

#### Payrolls and Payroll Records

Contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records.

Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury.

#### Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

#### Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

#### Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. Although in most cases the payment or provision of supplements is straight time for all hours worked, some classifications require the payment or provision of supplements, or a portion of the supplements, to be paid or provided at a premium rate for premium hours worked. Supplements may also be required to be paid or provided on paid holidays, regardless of whether the day is worked. The Overtime Codes and Notes listed on the particular wage classification will indicate these conditions as required.

#### Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website ([www.labor.ny.gov](http://www.labor.ny.gov)) for current wage rate information.

#### Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.

# **General Provisions of Laws Covering Workers on Article 8 Public Work Contracts**

## **Introduction**

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed.

## **Responsibilities of the Department of Jurisdiction**

A Department of Jurisdiction (Contracting Agency) includes a state department, agency, board or commission; a county, city, town or village; a school district, board of education or board of cooperative educational services; a sewer, water, fire, improvement and other district corporation; a public benefit corporation; and a public authority awarding a public work contract.

The Department of Jurisdiction (Contracting Agency) awarding a public work contract **MUST** obtain a Prevailing Rate Schedule listing the hourly rates of wages and supplements due the workers to be employed on a public work project. This schedule may be obtained by completing and forwarding a "Request for wage and Supplement Information" form (PW 39) to the Bureau of Public Work. The Prevailing Rate Schedule **MUST** be included in the specifications for the contract to be awarded and is deemed part of the public work contract.

Upon the awarding of the contract, the law requires that the Department of Jurisdiction (Contracting Agency) furnish the following information to the Bureau: the name and address of the contractor, the date the contract was let and the approximate dollar value of the contract. To facilitate compliance with this provision of the Labor Law, a copy of the Department's "Notice of Contract Award" form (PW 16) is provided with the original Prevailing Rate Schedule.

The Department of Jurisdiction (Contracting Agency) is required to notify the Bureau of the completion or cancellation of any public work project. The Department's PW 200 form is provided for that purpose.

Both the PW 16 and PW 200 forms are available for completion [online](#).

## **Hours**

No laborer, worker, or mechanic in the employ of a contractor or subcontractor engaged in the performance of any public work project shall be permitted to work more than eight hours in any day or more than five days in any week, except in cases of extraordinary emergency. The contractor and the Department of Jurisdiction (Contracting Agency) may apply to the Bureau of Public Work for a dispensation permitting workers to work additional hours or days per week on a particular public work project.

## **Wages and Supplements**

The wages and supplements to be paid and/or provided to laborers, workers, and mechanics employed on a public work project shall be not less than those listed in the current Prevailing Rate Schedule for the locality where the work is performed. If a prime contractor on a public work project has not been provided with a Prevailing Rate Schedule, the contractor must notify the Department of Jurisdiction (Contracting Agency) who in turn must request an original Prevailing Rate Schedule from the Bureau of Public Work. Requests may be submitted by: mail to NYSDOL, Bureau of Public Work, State Office Bldg. Campus, Bldg. 12, Rm. 130, Albany, NY 12226; Fax to Bureau of Public Work (518) 485-1870; or electronically at the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

Upon receiving the original schedule, the Department of Jurisdiction (Contracting Agency) is **REQUIRED** to provide complete copies to all prime contractors who in turn **MUST**, by law, provide copies of all applicable county schedules to each subcontractor and obtain from each subcontractor, an affidavit certifying such schedules were received. If the original schedule expired, the contractor may obtain a copy of the new annual determination from the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

The Commissioner of Labor makes an annual determination of the prevailing rates. This determination is in effect from July 1st through June 30th of the following year. The annual determination is available on the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

## **Payrolls and Payroll Records**

Every contractor and subcontractor **MUST** keep original payrolls or transcripts subscribed and affirmed as true under penalty of perjury. As per Article 6 of the Labor law, contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records. At a minimum, payrolls must show the following information for each person employed on a public work project: Name, Address, Last 4 Digits of Social Security Number, Classification(s) in which the worker was employed, Hourly wage rate(s) paid, Supplements paid or provided, and Daily and weekly number of hours worked in each classification.

The filing of payrolls to the Department of Jurisdiction is a condition of payment. Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury. The Department of Jurisdiction (Contracting Agency) shall collect, review for facial validity, and maintain such payrolls.

In addition, the Commissioner of Labor may require contractors to furnish, with ten (10) days of a request, payroll records sworn to as their validity and accuracy for public work and private work. Payroll records include, but are not limited to time cards, work description sheets, proof that supplements were provided, cancelled payroll checks and payrolls. Failure to provide the requested information within the allotted ten (10) days will result in the withholding of up to 25% of the contract, not to exceed \$100,000.00. If the contractor or subcontractor does not maintain a place of business in New York State and the amount of the contract exceeds \$25,000.00, payroll records and certifications must be kept on the project worksite.

The prime contractor is responsible for any underpayments of prevailing wages or supplements by any subcontractor.

All contractors or their subcontractors shall provide to their subcontractors a copy of the Prevailing Rate Schedule specified in the public work contract as well as any subsequently issued schedules. A failure to provide these schedules by a contractor or subcontractor is a violation of Article 8, Section 220-a of the Labor Law.

All subcontractors engaged by a public work project contractor or its subcontractor, upon receipt of the original schedule and any subsequently issued schedules, shall provide to such contractor a verified statement attesting that the subcontractor has received the Prevailing Rate Schedule and will pay or provide the applicable rates of wages and supplements specified therein. (See NYS Labor Laws, Article 8 . Section 220-a).

### **Determination of Prevailing Wage and Supplement Rate Updates Applicable to All Counties**

The wages and supplements contained in the annual determination become effective July 1st whether or not the new determination has been received by a given contractor. Care should be taken to review the rates for obvious errors. Any corrections should be brought to the Department's attention immediately. It is the responsibility of the public work contractor to use the proper rates. If there is a question on the proper classification to be used, please call the district office located nearest the project. Any errors in the annual determination will be corrected and posted to the NYSDOL website on the first business day of each month. Contractors are responsible for paying these updated rates as well, retroactive to July 1st.

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. To the extent possible, the Department posts rates in its possession that cover periods of time beyond the July 1st to June 30th time frame covered by a particular annual determination. Rates that extend beyond that instant time period are informational ONLY and may be updated in future annual determinations that actually cover the then appropriate July 1st to June 30th time period.

### **Withholding of Payments**

When a complaint is filed with the Commissioner of Labor alleging the failure of a contractor or subcontractor to pay or provide the prevailing wages or supplements, or when the Commissioner of Labor believes that unpaid wages or supplements may be due, payments on the public work contract shall be withheld from the prime contractor in a sufficient amount to satisfy the alleged unpaid wages and supplements, including interest and civil penalty, pending a final determination.

When the Bureau of Public Work finds that a contractor or subcontractor on a public work project failed to pay or provide the requisite prevailing wages or supplements, the Bureau is authorized by Sections 220-b and 235.2 of the Labor Law to so notify the financial officer of the Department of Jurisdiction (Contracting Agency) that awarded the public work contract. Such officer MUST then withhold or cause to be withheld from any payment due the prime contractor on account of such contract the amount indicated by the Bureau as sufficient to satisfy the unpaid wages and supplements, including interest and any civil penalty that may be assessed by the Commissioner of Labor. The withholding continues until there is a final determination of the underpayment by the Commissioner of Labor or by the court in the event a legal proceeding is instituted for review of the determination of the Commissioner of Labor.

The Department of Jurisdiction (Contracting Agency) shall comply with this order of the Commissioner of Labor or of the court with respect to the release of the funds so withheld.

### **Summary of Notice Posting Requirements**

The current Prevailing Rate Schedule must be posted in a prominent and accessible place on the site of the public work project. The prevailing wage schedule must be encased in, or constructed of, materials capable of withstanding adverse weather conditions and be titled "PREVAILING RATE OF WAGES" in letters no smaller than two (2) inches by two (2) inches.

The "[Public Work Project](#)" notice must be posted at the beginning of the performance of every public work contract, on each job site.

Every employer providing workers. compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers. Compensation Board in a conspicuous place on the jobsite.

Every employer subject to the NYS Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers, notices furnished by the State Division of Human Rights.

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the NYS Department of Labor.

## **Apprentices**

Employees cannot be paid apprentice rates unless they are individually registered in a program registered with the NYS Commissioner of Labor. The allowable ratio of apprentices to journeyworkers in any craft classification can be no greater than the statewide building trade ratios promulgated by the Department of Labor and included with the Prevailing Rate Schedule. An employee listed on a payroll as an apprentice who is not registered as above or is performing work outside the classification of work for which the apprentice is indentured, must be paid the prevailing journeyworker's wage rate for the classification of work the employee is actually performing.

NYSDOL Labor Law, Article 8, Section 220-3, require that only apprentices individually registered with the NYS Department of Labor may be paid apprenticeship rates on a public work project. No other Federal or State Agency of office registers apprentices in New York State.

Persons wishing to verify the apprentice registration of any person must do so in writing by mail, to the NYSDOL Office of Employability Development / Apprenticeship Training, State Office Bldg. Campus, Bldg. 12, Albany, NY 12226 or by Fax to NYSDOL Apprenticeship Training (518) 457-7154. All requests for verification must include the name and social security number of the person for whom the information is requested.

The only conclusive proof of individual apprentice registration is written verification from the NYSDOL Apprenticeship Training Albany Central office. Neither Federal nor State Apprenticeship Training offices outside of Albany can provide conclusive registration information.

It should be noted that the existence of a registered apprenticeship program is not conclusive proof that any person is registered in that program. Furthermore, the existence or possession of wallet cards, identification cards, or copies of state forms is not conclusive proof of the registration of any person as an apprentice.

## **Interest and Penalties**

In the event that an underpayment of wages and/or supplements is found:

- Interest shall be assessed at the rate then in effect as prescribed by the Superintendent of Banks pursuant to section 14-a of the Banking Law, per annum from the date of underpayment to the date restitution is made.
- A Civil Penalty may also be assessed, not to exceed 25% of the total of wages, supplements, and interest due.

## **Debarment**

Any contractor or subcontractor and/or its successor shall be ineligible to submit a bid on or be awarded any public work contract or subcontract with any state, municipal corporation or public body for a period of five (5) years when:

- Two (2) willful determinations have been rendered against that contractor or subcontractor and/or its successor within any consecutive six (6) year period.
- There is any willful determination that involves the falsification of payroll records or the kickback of wages or supplements.

## **Discrimination**

No employee or applicant for employment may be discriminated against on account of age, race, creed, color, national origin, sex, disability or marital status.

No contractor, subcontractor nor any person acting on its behalf, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates (NYS Labor Law, Article 8, Section 220-e(a)).

No contractor, subcontractor, nor any person acting on its behalf, shall in any manner, discriminate against or intimidate any employee on account of race, creed, color, disability, sex, or national origin (NYS Labor Law, Article 8, Section 220-e(b)).

The Human Rights Law also prohibits discrimination in employment because of age, marital status, or religion.

There may be deducted from the amount payable to the contractor under the contract a penalty of \$50.00 for each calendar day during which such person was discriminated against or intimidated in violation of the provision of the contract (NYS Labor Law, Article 8, Section 220-e(c) ).

The contract may be cancelled or terminated by the State or municipality. All monies due or to become due thereunder may be forfeited for a second or any subsequent violation of the terms or conditions of the anti-discrimination sections of the contract (NYS Labor Law, Article 8, Section 220-e(d) ).

Every employer subject to the New York State Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers notices furnished by the State Division of Human Rights.

### **Workers' Compensation**

In accordance with Section 142 of the State Finance Law, the contractor shall maintain coverage during the life of the contract for the benefit of such employees as required by the provisions of the New York State Workers' Compensation Law.

A contractor who is awarded a public work contract must provide proof of workers' compensation coverage prior to being allowed to begin work.

The insurance policy must be issued by a company authorized to provide workers' compensation coverage in New York State. Proof of coverage must be on form C-105.2 (Certificate of Workers' Compensation Insurance) and must name this agency as a certificate holder.

### **Social Security Numbers on Certified Payrolls:**

The Department of Labor is cognizant of the concerns of the potential for misuse or inadvertent disclosure of social security numbers. Identity theft is a growing problem and we are sympathetic to contractors' concern regarding inclusion of this information on payrolls if another identifier will suffice.

For these reasons, the substitution of the use of the last four digits of the social security number on certified payrolls submitted to contracting agencies on public work projects is now acceptable to the Department of Labor. This change does not affect the Department's ability to request and receive the entire social security number from employers during its public work/ prevailing wage investigations.

### **Construction Industry Fair Play Act: Required Posting for Labor Law Article 25-B § 861-d**

Construction industry employers must post the "Construction Industry Fair Play Act" notice in a prominent and accessible place on the job site. Failure to post the notice can result in penalties of up to \$1,500 for a first offense and up to \$5,000 for a second offense. The posting is included as part of this wage schedule. Additional copies may be obtained from the NYS DOL website, <https://dol.ny.gov/public-work-and-prevailing-wage>

If you have any questions concerning the Fair Play Act, please call the State Labor Department toll-free at 1-866-435-1499 or email us at: [dol.misclassified@labor.ny.gov](mailto:dol.misclassified@labor.ny.gov) .

### **Worker Notification: (Labor Law §220, paragraph a of subdivision 3-a)**

#### **Effective June 23, 2020**

This provision is an addition to the existing wage rate law, Labor Law §220, paragraph a of subdivision 3-a. It requires contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the *prevailing wage and supplement rate* for their particular job classification *on each pay stub*\*. It also requires contractors and subcontractors to *post a notice* at the beginning of the performance of every public work contract *on each job site* that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her job classification. The required notification will be provided with each wage schedule, may be downloaded from our website [www.labor.ny.gov](http://www.labor.ny.gov) or be made available upon request by contacting the Bureau of Public Work at 518-457-5589. \*In the event the required information will not fit on the pay stub, an accompanying sheet or attachment of the information will suffice.

**To all State Departments, Agency Heads and Public Benefit Corporations  
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

## **Budget Policy & Reporting Manual**

# **B-610**

### **Public Work Enforcement Fund**

*effective date December 7, 2005*

---

#### **1. Purpose and Scope:**

This Item describes the Public Work Enforcement Fund (the Fund, PWEF) and its relevance to State agencies and public benefit corporations engaged in construction or reconstruction contracts, maintenance and repair, and announces the recently-enacted increase to the percentage of the dollar value of such contracts that must be deposited into the Fund. This item also describes the roles of the following entities with respect to the Fund:

- New York State Department of Labor (DOL),
- The Office of the State of Comptroller (OSC), and
- State agencies and public benefit corporations.

#### **2. Background and Statutory References:**

DOL uses the Fund to enforce the State's Labor Law as it relates to contracts for construction or reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law. State agencies and public benefit corporations participating in such contracts are required to make payments to the Fund.

Chapter 511 of the Laws of 1995 (as amended by Chapter 513 of the Laws of 1997, Chapter 655 of the Laws of 1999, Chapter 376 of the Laws of 2003 and Chapter 407 of the Laws of 2005) established the Fund.

#### **3. Procedures and Agency Responsibilities:**

The Fund is supported by transfers and deposits based on the value of contracts for construction and reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law, into which all State agencies and public benefit corporations enter.

Chapter 407 of the Laws of 2005 increased the amount required to be provided to this fund to .10 of one-percent of the total cost of each such contract, to be calculated at the time agencies or public benefit corporations enter into a new contract or if a contract is amended. The provisions of this bill became effective August 2, 2005.

**To all State Departments, Agency Heads and Public Benefit Corporations**  
**IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

OSC will report to DOL on all construction-related ("D") contracts approved during the month, including contract amendments, and then DOL will bill agencies the appropriate assessment monthly. An agency may then make a determination if any of the billed contracts are exempt and so note on the bill submitted back to DOL. For any instance where an agency is unsure if a contract is or is not exempt, they can call the Bureau of Public Work at the number noted below for a determination. Payment by check or journal voucher is due to DOL within thirty days from the date of the billing. DOL will verify the amounts and forward them to OSC for processing.

For those contracts which are not approved or administered by the Comptroller, monthly reports and payments for deposit into the Public Work Enforcement Fund must be provided to the Administrative Finance Bureau at the DOL within 30 days of the end of each month or on a payment schedule mutually agreed upon with DOL.

Reports should contain the following information:

- Name and billing address of State agency or public benefit corporation;
- State agency or public benefit corporation contact and phone number;
- Name and address of contractor receiving the award;
- Contract number and effective dates;
- Contract amount and PWEF assessment charge (if contract amount has been amended, reflect increase or decrease to original contract and the adjustment in the PWEF charge); and
- Brief description of the work to be performed under each contract.

Checks and Journal Vouchers, payable to the "New York State Department of Labor" should be sent to:

Department of Labor  
Administrative Finance Bureau-PWEF Unit  
Building 12, Room 464  
State Office Campus  
Albany, NY 12226

Any questions regarding billing should be directed to NYSDOL's Administrative Finance Bureau-PWEF Unit at (518) 457-3624 and any questions regarding Public Work Contracts should be directed to the Bureau of Public Work at (518) 457-5589.

## Required Notice under Article 25-B of the Labor Law

### **Attention All Employees, Contractors and Subcontractors: You are Covered by the Construction Industry Fair Play Act**

#### **The law says that you are an employee unless:**

- You are free from direction and control in performing your job, **and**
- You perform work that is not part of the usual work done by the business that hired you, **and**
- You have an independently established business.

Your employer cannot consider you to be an independent contractor unless all three of these facts apply to your work.

**It is against the law for an employer to misclassify employees as independent contractors or pay employees off the books.**

**Employee Rights:** If you are an employee, you are entitled to state and federal worker protections. These include:

- Unemployment Insurance benefits, if you are unemployed through no fault of your own, able to work, and otherwise qualified,
- Workers' compensation benefits for on-the-job injuries,
- Payment for wages earned, minimum wage, and overtime (under certain conditions),
- Prevailing wages on public work projects,
- The provisions of the National Labor Relations Act, and
- A safe work environment.

It is a violation of this law for employers to retaliate against anyone who asserts their rights under the law. Retaliation subjects an employer to civil penalties, a private lawsuit or both.

**Independent Contractors:** If you are an independent contractor, **you must pay all taxes and Unemployment Insurance contributions required by New York State and Federal Law.**

**Penalties** for paying workers off the books or improperly treating employees as independent contractors:

- **Civil Penalty**
  - First offense: Up to \$2,500 per employee
  - Subsequent offense(s): Up to \$5,000 per employee
- **Criminal Penalty**
  - First offense: Misdemeanor - up to 30 days in jail, up to a \$25,000 fine and debarment from performing public work for up to one year.
  - Subsequent offense(s): Misdemeanor - up to 60 days in jail or up to a \$50,000 fine and debarment from performing public work for up to 5 years.

**If you have questions about your employment status or believe that your employer may have violated your rights and you want to file a complaint, call the Department of Labor at (866) 435-1499 or send an email to [dol.misclassified@labor.ny.gov](mailto:dol.misclassified@labor.ny.gov). ## Requirements for OSHA 10 Compliance

Article 8 §220-h requires that when the advertised specifications, for every contract for public work, is \$250,000.00 or more the contract must contain a provision requiring that every worker employed in the performance of a public work contract shall be certified as having completed an OSHA 10 safety training course. The clear intent of this provision is to require that all employees of public work contractors, required to be paid prevailing rates, receive such training "prior to the performing any work on the project."

### The Bureau will enforce the statute as follows:

All contractors and sub contractors must attach a copy of proof of completion of the OSHA 10 course to the first certified payroll submitted to the contracting agency and on each succeeding payroll where any new or additional employee is first listed.

Proof of completion may include but is not limited to:

- Copies of bona fide course completion card (*Note: Completion cards do not have an expiration date.*)
- Training roster, attendance record or other documentation from the certified trainer pending the issuance of the card.
- Other valid proof

\*\*A certification by the employer attesting that all employees have completed such a course is not sufficient proof that the course has been completed.

Any questions regarding this statute may be directed to the New York State Department of Labor, Bureau of Public Work at 518-457-5589.

## WICKS

Public work projects are subject to the Wicks Law requiring separate specifications and bidding for the plumbing, heating and electrical work, when the total project's threshold is \$3 million in Bronx, Kings, New York, Queens and, Richmond counties; \$1.5 million in Nassau, Suffolk and Westchester counties; and \$500,000 in all other counties.

For projects below the monetary threshold, bidders must submit a sealed list naming each subcontractor for the plumbing, HVAC and electrical and the amount to be paid to each. The list may not be changed unless the public owner finds a legitimate construction need, including a change in specifications or costs or the use of a Project Labor Agreement (PLA), and must be open to public inspection.

Allows the state and local agencies and authorities to waive the Wicks Law and use a PLA if it will provide the best work at the lowest possible price. If a PLA is used, all contractors shall participate in apprentice training programs in the trades of work it employs that have been approved by the Department of Labor (DOL) for not less than three years. They shall also have at least one graduate in the last three years and use affirmative efforts to retain minority apprentices. PLA's would be exempt from Wicks, but deemed to be public work subject to prevailing wage enforcement.

The Commissioner of Labor shall have the power to enforce separate specification requirements on projects, and may issue stop-bid orders against public owners for non-compliance.

Other new monetary thresholds, and similar sealed bidding for non-Wicks projects, would apply to certain public authorities including municipal housing authorities, NYC Construction Fund, Yonkers Educational Construction Fund, NYC Municipal Water Finance Authority, Buffalo Municipal Water Finance Authority, Westchester County Health Care Association, Nassau County Health Care Corp., Clifton-Fine Health Care Corp., Erie County Medical Center Corp., NYC Solid Waste Management Facilities, and the Dormitory Authority.

Contractors must pay subcontractors within a 7 days period.

## Introduction to the Prevailing Rate Schedule

### Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

#### Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

#### Payrolls and Payroll Records

Contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records.

Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury.

#### Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

#### Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

#### Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. Although in most cases the payment or provision of supplements is straight time for all hours worked, some classifications require the payment or provision of supplements, or a portion of the supplements, to be paid or provided at a premium rate for premium hours worked. Supplements may also be required to be paid or provided on paid holidays, regardless of whether the day is worked. The Overtime Codes and Notes listed on the particular wage classification will indicate these conditions as required.

#### Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website ([www.labor.ny.gov](http://www.labor.ny.gov)) for current wage rate information.

#### Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.

**§ 290. Purposes of article.**

1. This article shall be known as the "Human Rights Law".
2. It shall be deemed an exercise of the police power of the state for the protection of the public welfare, health and peace of the people of this state, and in fulfillment of the provisions of the constitution of this state concerning civil rights.
3. The legislature hereby finds and declares that the state has the responsibility to act to assure that every individual within this state is afforded an equal opportunity to enjoy a full and productive life and that the failure to provide such equal opportunity, whether because of discrimination, prejudice, intolerance or inadequate education, training, housing or health care not only threatens the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state and threatens the peace, order, health, safety and general welfare of the state and its inhabitants. A division in the executive department is hereby created to encourage programs designed to insure that every individual shall have an equal opportunity to participate fully in the economic, cultural and intellectual life of the state; to encourage and promote the development and execution by all persons within the state of such state programs; to eliminate and prevent discrimination in employment, in places of public accommodation, resort or amusement, in educational institutions, in public services, in housing accommodations, in commercial space and in credit transactions and to take other actions against discrimination as herein provided; and the division established hereunder is hereby given general jurisdiction and power for such purposes.

**§ 291. Equality of opportunity a civil right.**

1. The opportunity to obtain employment without discrimination because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, marital status, or disability, is hereby recognized as and declared to be a civil right.
2. The opportunity to obtain education, the use of places of public accommodation and the ownership, use and occupancy of housing accommodations and commercial space without discrimination because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, marital status, or disability, as specified in section two hundred ninety six of this article, is hereby recognized as and declared to be a civil right.
3. The opportunity to obtain medical treatment of an infant prematurely born alive in the course of an abortion shall be the same as the rights of an infant born spontaneously.

**§ 292. Definitions.**

When used in this article:

1. The term "person" includes one or more individuals, partnerships, associations, corporations, legal representatives, trustees, trustees in bankruptcy, or receivers.
2. The term "employment agency" includes any person undertaking to procure employees or opportunities to work.
3. The term "labor organization" includes any organization which exists and is constituted for the purpose, in whole or in part, of collective bargaining or of dealing with employers concerning grievances, terms or conditions of employment, or of other mutual aid or protection in connection with employment.
4. The term "unlawful discriminatory practice" includes only those practices specified in sections two hundred ninety-six, two hundred ninety-six-a, two hundred ninety-six-c and two hundred ninety-six-d of this article.
5. The term "employer" shall include all employers within the state. For the purposes of this article, (a) the state of New York shall be considered an employer of any employee or official, including any elected official, of the New York state executive, legislature, or judiciary, including persons serving in any judicial capacity, and persons serving on the staff of any elected official in New York state, (b) a city, county, town, village or other political subdivision of the state of New York shall be considered an employer of any employee or official, including any elected official, of such locality's executive, legislature or judiciary, including persons serving in any local judicial capacity, and persons serving on the staff of any local elected official.
6. The term "employee" in this article does not include any individual employed by his or her parents, spouse or child.
7. The term "commissioner", unless a different meaning clearly appears from the context, means the state commissioner of human rights; and the term "division" means the state division of human rights created by this article.

9. The term "place of public accommodation, resort or amusement" shall include, regardless of whether the owner or operator of such place is a state or local government entity or a private individual or entity, except as hereinafter specified, all places included in the meaning of such terms as: inns, taverns, road houses, hotels, motels, whether conducted for the entertainment of transient guests or for the accommodation of those seeking health, recreation or rest, or restaurants, or eating houses, or any place where food is sold for consumption on the premises; buffets, saloons, barrooms, or any store, park or enclosure where spirituous or malt liquors are sold; ice cream parlors, confectionaries, soda fountains, and all stores where ice cream, ice and

An institution, club, or place of accommodation which is not deemed distinctly private pursuant to this subdivision may nevertheless apply such selective criteria as it chooses in the use of its facilities, in evaluating applicants for membership and in the conduct of its activities, so long as such selective criteria do not constitute discriminatory practices under this article or any other provision of law. For the purposes of this section, a corporation incorporated under the benevolent orders law or described in the benevolent orders law but formed under any other law of this state or a religious corporation incorporated under the education law or the religious corporations law shall be deemed to be in its nature distinctly private.

**15.** The term "real estate salesperson" means a person employed by a licensed real estate broker to list for sale, sell or offer for sale, at auction or otherwise, to buy or offer to buy or to negotiate the purchase or sale or exchange of real estate, or to negotiate a loan on real estate, or to lease or rent or offer to lease, rent or place for rent any real estate, or who collects or offers or attempts to collect rent for the use of real estate for or in behalf of such real estate broker.

**21-a.** "Predisposing genetic characteristic" shall mean any inherited gene or chromosome, or alteration thereof, and determined by a genetic test or inferred from information derived from an individual or family member that is scientifically or medically believed to predispose an individual or the offspring of that individual to a disease or disability, or to be associated with a statistically significant increased risk of development of a physical or mental disease or disability.

**21-b.** "Genetic test" shall mean a test for determining the presence or absence of an inherited genetic characteristic in an individual, including tests of nucleic acids such as DNA, RNA and mitochondrial DNA, chromosomes or proteins in order to identify a predisposing genetic characteristic.

(c) For a labor organization, because of the age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, or marital status, or status as a victim of domestic violence, of any individual, to exclude or to expel from its membership such individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer.

(d) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses directly or indirectly, any limitation, specification or discrimination as to age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or status as a victim of domestic violence, or any intent to make any such limitation, specification or discrimination, unless based upon a bona fide occupational qualification; provided, however, that neither this paragraph nor any provision of this chapter or other law shall be construed to prohibit the department of civil service or the department of personnel of any city containing more than one county from requesting information from applicants for civil service examinations concerning any of the aforementioned characteristics, other than sexual orientation, for the purpose of conducting studies to identify and resolve possible problems in recruitment and testing of members of minority groups to ensure the fairest possible and equal opportunities for employment in the civil service for all persons, regardless of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, or marital status.

The fact that such individual did not make a complaint about the harassment to such employer, licensing agency, employment agency or labor organization shall not be determinative of whether such employer, licensing agency, employment agency or labor organization shall be liable. Nothing in this section shall imply that an employee must demonstrate the existence of an individual to whom the employee's treatment must be compared. It shall be an affirmative defense to liability under this subdivision that the harassing conduct does not rise above the level of what a reasonable victim of discrimination with the same protected characteristic or characteristics would consider petty slights or trivial inconveniences.

- (ii) a refusal to take such steps as may be necessary to ensure that no individual with a disability is excluded or denied services because of the absence of auxiliary aids and services, unless such person can demonstrate that taking such steps would fundamentally

In applying the retirement benefit test of this paragraph, if any such retirement benefit is in a form other than a straight life annuity with no ancillary benefits, or if employees contribute to any such plan or make rollover contributions, such benefit shall be adjusted in accordance with rules and regulations promulgated by the division, after an opportunity for public hearing, so that the benefit is the equivalent of a straight life annuity with no ancillary benefits under a plan to which employees do not contribute and under which no rollover contributions are made.

(f) Nothing contained in this subdivision, in subdivision one of this section or in article fourteen-A of the retirement and social security law shall be construed to prevent the compulsory retirement of any employee who has attained seventy years of age and is serving under a contract for unlimited tenure, or a similar arrangement providing for unlimited tenure, at a nonpublic institution of higher education. For purposes of such subdivisions or article, the term "institution of higher education" means an educational institution which

(i) admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate,

- (ii) is lawfully authorized to provide a program of education beyond secondary education, and
- (iii) provides an educational program for which it awards a bachelor's degree or provides not less than a two-year program which is acceptable for full credit toward such a degree.

(g) In the event of a conflict between the provisions of this subdivision and the provisions of article fourteen-A of the retirement and social security law, the provisions of article fourteen-A of such law shall be controlling. But nothing contained in this subdivision, in subdivision one of this section or in article fourteen-A of the retirement and social security law shall be construed to prevent the termination of the employment of any person who, even upon the provision of reasonable accommodations, is physically unable to perform his or her duties or to affect the retirement policy or system of any employer where such policy or system is not merely a subterfuge to evade the purposes of said subdivisions or said article; nor shall anything in such subdivisions or such article be deemed to preclude the varying of insurance coverages according to an employee's age. The provisions of this subdivision shall not affect any restriction upon the activities of persons licensed by the state liquor authority with respect to persons under twenty-one years of age.

**3-b.** It shall be an unlawful discriminatory practice for any real estate broker, real estate salesperson or employee or agent thereof or any other individual, corporation, partnership or organization for the purpose of inducing a real estate transaction from which any such person or any of its stockholders or members may benefit financially, to represent that a change has occurred or will or may occur in the composition with respect to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, marital status, status as a victim of domestic violence, or familial status of the owners or occupants in the block, neighborhood or area in which the real property is located, and to represent, directly or indirectly, that this change will or may result in undesirable consequences in the block, neighborhood or area in which the real property is located, including but not limited to the lowering of property values, an increase in criminal or anti-social behavior, or a decline in the quality of schools or other facilities.

**4.** It shall be an unlawful discriminatory practice for an educational institution to deny the use of its facilities to any person otherwise qualified, or to permit the harassment of any student or applicant, by reason of his race, color, religion, disability, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, marital status, or status as a victim of domestic violence, except that any such institution which establishes or maintains a policy of educating persons of one sex exclusively may admit students of only one sex.

**5. (a)** It shall be an unlawful discriminatory practice for the owner, lessee, sub-lessee, assignee, or managing agent of, or other person having the right to sell, rent or lease a housing accommodation, constructed or to be constructed, or any agent or employee thereof:

(1) To refuse to sell, rent, lease or otherwise to deny to or withhold from any person or group of persons such a housing accommodation because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military

status, sex, age, disability, marital status, status as a victim of domestic violence, lawful source of income or familial status of such person or persons, or to represent that any housing accommodation or land is not available for inspection, sale, rental or lease when in fact it is so available.

(2) To discriminate against any person because of race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, lawful source of income or familial status in the terms, conditions or privileges of the sale, rental or lease of any such housing accommodation or in the furnishing of facilities or services in connection therewith.

(3) To print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for the purchase, rental or lease of such housing accommodation or to make any record or inquiry in connection with the prospective purchase, rental or lease of such a housing accommodation which expresses, directly or indirectly, any limitation, specification or discrimination as to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, or status as a victim of domestic violence, lawful source of income or familial status, or any intent to make any such limitation, specification or discrimination.

(4) (i) The provisions of subparagraphs one and two of this paragraph shall not apply (1) to the rental of a housing accommodation in a building which contains housing accommodations for not more than two families living independently of each other, if the owner resides in one of such housing accommodations, (2) to the restriction of the rental of all rooms in a housing accommodation to individuals of the same sex or (3) to the rental of a room or rooms in a housing accommodation, if such rental is by the occupant of the housing accommodation or by the owner of the housing accommodation and the owner resides in such housing accommodation or (4) solely with respect to age and familial status to the restriction of the sale, rental or lease of housing accommodations exclusively to persons sixty-two years of age or older and the spouse of any such person, or for housing intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing is intended and operated for occupancy by persons fifty-five years of age or older, Sec. 807(b) (2) (c) (42 U.S.C. 3607 (b) (2) (c)) of the federal Fair Housing Act of 1988, as amended, shall apply. However, such rental property shall no longer be exempt from the provisions of subparagraphs one and two of this paragraph if there is unlawful discriminatory conduct pursuant to subparagraph three of this paragraph.

(ii) The provisions of subparagraphs one, two, and three of this paragraph shall not apply (1) to the restriction of the rental of all rooms in a housing accommodation to individuals of the same sex, (2) to the rental of a room or rooms in a housing accommodation, if such rental is by the occupant of the housing accommodation or by the owner of the housing accommodation and the owner resides in such housing accommodation, or (3) solely with respect to age and familial status to the restriction of the sale, rental or lease of housing accommodations exclusively to persons sixty-two years of age or older and the spouse of any such person, or for housing intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing is intended and operated for occupancy by persons fifty-

five years of age or older, Sec. 807(b) (2) (c) (42 U.S.C. 3607(b)(2)(c)) of the federal Fair Housing Act of 1988, as amended, shall apply.

(b) It shall be an unlawful discriminatory practice for the owner, lessee, sub-lessee, or managing agent of, or other person having the right of ownership or possession of or the right to sell, rent or lease, land or commercial space:

(1) To refuse to sell, rent, lease or otherwise deny to or withhold from any person or group of persons land or commercial space because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, or familial status of such person or persons, or to represent that any housing accommodation or land is not available for inspection, sale, rental or lease when in fact it is so available;

(2) To discriminate against any person because of race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, or familial status in the terms, conditions or privileges of the sale, rental or lease of any such land or commercial space; or in the furnishing of facilities or services in connection therewith;

(3) To print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for the purchase, rental or lease of such land or commercial space or to make any record or inquiry in connection with the prospective purchase, rental or lease of such land or commercial space which expresses, directly or indirectly, any limitation, specification or discrimination as to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, or familial status; or any intent to make any such limitation, specification or discrimination.

(4) With respect to age and familial status, the provisions of this paragraph shall not apply to the restriction of the sale, rental or lease of land or commercial space exclusively to persons fifty-five years of age or older and the spouse of any such person, or to the restriction of the sale, rental or lease of land to be used for the construction, or location of housing accommodations exclusively for persons sixty-two years of age or older, or intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing is intended and operated for occupancy by persons fifty-five years of age or older, Sec. 807(b)(2)(c) (42 U.S.C. 3607(b)(2)(c)) of the federal Fair Housing Act of 1988, as amended, shall apply.

(c) It shall be an unlawful discriminatory practice for any real estate broker, real estate salesperson or employee or agent thereof:

(1) To refuse to sell, rent or lease any housing accommodation, land or commercial space to any person or group of persons or to refuse to negotiate for the sale, rental or lease, of any housing accommodation, land or commercial space to any person or group of persons because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation,

gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, lawful source of income or familial status of such person or persons, or to represent that any housing accommodation, land or commercial space is not available for inspection, sale, rental or lease when in fact it is so available, or otherwise to deny or withhold any housing accommodation, land or commercial space or any facilities of any housing accommodation, land or commercial space from any person or group of persons because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, lawful source of income or familial status of such person or persons.

(2) To print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for the purchase, rental or lease of any housing accommodation, land or commercial space or to make any record or inquiry in connection with the prospective purchase, rental or lease of any housing accommodation, land or commercial space which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, age, disability, marital status, status as a victim of domestic violence, lawful source of income or familial status; or any intent to make any such limitation, specification or discrimination.

(3) With respect to age and familial status, the provisions of this paragraph shall not apply to the restriction of the sale, rental or lease of any housing accommodation, land or commercial space exclusively to persons fifty-five years of age or older and the spouse of any such person, or to the restriction of the sale, rental or lease of any housing accommodation or land to be used for the construction or location of housing accommodations for persons sixty-two years of age or older, or intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing is intended and operated for occupancy by persons fifty-five years of age or older, Sec. 807 (b)(2)(c) (42 U.S.C. 3607(b)(2)(c)) of the federal Fair Housing Act of 1988, as amended, shall apply.

(d) It shall be an unlawful discriminatory practice for any real estate board, because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, sex, disability, marital status, status as a victim of domestic violence, lawful source of income or familial status of any individual who is otherwise qualified for membership, to exclude or expel such individual from membership, or to discriminate against such individual in the terms, conditions and privileges of membership in such board.

(e) It shall be an unlawful discriminatory practice for the owner, proprietor or managing agent of, or other person having the right to provide care and services in, a private proprietary nursing home, convalescent home, or home for adults, or an intermediate care facility, as defined in section two of the social services law, heretofore constructed, or to be constructed, or any agent or employee thereof, to refuse to provide services and care in such home or facility to any individual or to discriminate against any individual in the terms, conditions, and privileges of such services and care solely because such individual is a blind person. For purposes of this paragraph, a "blind person" shall mean a person who is registered as a blind person with the commission for the visually handicapped and who meets the definition of a "blind person"

pursuant to section three of chapter four hundred fifteen of the laws of nineteen hundred thirteen entitled "An act to establish a state commission for improving the condition of the blind of the state of New York, and making an appropriation therefor".

(f) The provisions of this subdivision, as they relate to age, shall not apply to persons under the age of eighteen years.

(g) It shall be an unlawful discriminatory practice for any person offering or providing housing accommodations, land or commercial space as described in paragraphs (a), (b), and (c) of this subdivision to make or cause to be made any written or oral inquiry or record concerning membership of any person in the state organized militia in relation to the purchase, rental or lease of such housing accommodation, land, or commercial space, provided, however, that nothing in this subdivision shall prohibit a member of the state organized militia from voluntarily disclosing such membership.

**6.** It shall be an unlawful discriminatory practice for any person to aid, abet, incite, compel or coerce the doing of any of the acts forbidden under this article, or to attempt to do so.

**7.** It shall be an unlawful discriminatory practice for any person engaged in any activity to which this section applies to retaliate or discriminate against any person because he or she has opposed any practices forbidden under this article or because he or she has filed a complaint, testified or assisted in any proceeding under this article. Retaliation may include, but is not limited to, disclosing an employee's personnel files because he or she has opposed any practices forbidden under this article or because he or she has filed a complaint, testified or assisted in any proceeding under this article, except where such disclosure is made in the course of commencing or responding to a complaint in any proceeding under this article or any other civil or criminal action or other judicial or administrative proceeding as permitted by applicable law.

**8.** It shall be an unlawful discriminatory practice for any party to a conciliation agreement made pursuant to section two hundred ninety-seven of this article to violate the terms of such agreement.

**9. (a)** It shall be an unlawful discriminatory practice for any fire department or fire company therein, through any member or members thereof, officers, board of fire commissioners or other body or office having power of appointment of volunteer firefighters, directly or indirectly, by ritualistic practice, constitutional or by-law prescription, by tacit agreement among its members, or otherwise, to deny to any individual membership in any volunteer fire department or fire company therein, or to expel or discriminate against any volunteer member of a fire department or fire company therein, because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, marital status, status as a victim of domestic violence, or familial status, of such individual.

(b) Upon a complaint to the division, as provided for under subdivision one of section two hundred ninety-seven of this article, and in the event the commissioner finds that an unlawful discriminatory practice has been engaged in, the board of fire commissioners or other body or office having power of appointment of volunteer firefighters shall be served with any order

required, under subdivision four of section two hundred ninety-seven of this article, to be served on any or all respondents requiring such respondent or respondents to cease and desist from such unlawful discriminatory practice and to take affirmative action. Such board shall have the duty and power to appoint as a volunteer firefighter, notwithstanding any other statute or provision of law or by-law of any volunteer fire company, any individual whom the commissioner has determined to be the subject of an unlawful discriminatory practice under this subdivision. Unless such board has been found to have engaged in an unlawful discriminatory practice, service upon such board of such order shall not constitute such board or its members as a respondent nor constitute a finding of an unlawful discriminatory practice against such board or its members.

**10.** (a) It shall be an unlawful discriminatory practice for any employer, or an employee or agent thereof, to impose upon a person as a condition of obtaining or retaining employment, including opportunities for promotion, advancement or transfers, any terms or conditions that would require such person to violate or forego a sincerely held practice of his or her religion, including but not limited to the observance of any particular day or days or any portion thereof as a sabbath or other holy day in accordance with the requirements of his or her religion or the wearing of any attire, clothing, or facial hair in accordance with the requirements of his or her religion, unless, after engaging in a bona fide effort, the employer demonstrates that it is unable to reasonably accommodate the employee's or prospective employee's sincerely held religious observance or practice without undue hardship on the conduct of the employer's business. Notwithstanding any other provision of law to the contrary, an employee shall not be entitled to premium wages or premium benefits for work performed during hours to which such premium wages or premium benefits would ordinarily be applicable, if the employee is working during such hours only as an accommodation to his or her sincerely held religious requirements. Nothing in this paragraph or paragraph (b) of this subdivision shall alter or abridge the rights granted to an employee concerning the payment of wages or privileges of seniority accruing to that employee.

(b) Except where it would cause an employer to incur an undue hardship, no person shall be required to remain at his or her place of employment during any day or days or portion thereof that, as a requirement of his or her religion, he or she observes as his or her sabbath or other holy day, including a reasonable time prior and subsequent thereto for travel between his or her place of employment and his or her home, provided however, that any such absence from work shall, wherever practicable in the reasonable judgment of the employer, be made up by an equivalent amount of time and work at some other mutually convenient time, or shall be charged against any leave with pay ordinarily granted, other than sick leave, provided further, however, that any such absence not so made up or charged, may be treated by the employer of such person as leave taken without pay.

(c) It shall be an unlawful discriminatory practice for an employer to refuse to permit an employee to utilize leave, as provided in paragraph (b) of this subdivision, solely because the leave will be used for absence from work to accommodate the employee's sincerely held religious observance or practice.

(d) As used in this subdivision:

(1) "undue hardship" shall mean an accommodation requiring significant expense or difficulty (including a significant interference with the safe or efficient operation of the workplace or a violation of a bona fide seniority system). Factors to be considered in determining whether the accommodation constitutes an undue economic hardship shall include, but not be limited to:

- (i) the identifiable cost of the accommodation, including the costs of loss of productivity and of retaining or hiring employees or transferring employees from one facility to another, in relation to the size and operating cost of the employer;
- (ii) the number of individuals who will need the particular accommodation to a sincerely held religious observance or practice; and
- (iii) for an employer with multiple facilities, the degree to which the geographic separateness or administrative or fiscal relationship of the facilities will make the accommodation more difficult or expensive.

Provided, however, an accommodation shall be considered to constitute an undue hardship if it will result in the inability of an employee to perform the essential functions of the position in which he or she is employed.

(2) "premium wages" shall include overtime pay and compensatory time off, and additional remuneration for night, weekend or holiday work, or for standby or irregular duty.

(3) "premium benefit" shall mean an employment benefit, such as seniority, group life insurance, health insurance, disability insurance, sick leave, annual leave, or an educational or pension benefit that is greater than the employment benefit due the employee for an equivalent period of work performed during the regular work schedule of the employee.

In the case of any employer other than the state, any of its political subdivisions or any school district, this subdivision shall not apply where the uniform application of terms and conditions of attendance to employees is essential to prevent undue economic hardship to the employer. In any proceeding in which the applicability of this subdivision is in issue, the burden of proof shall be upon the employer. If any question shall arise whether a particular position or class of positions is excepted from this subdivision by this paragraph, such question may be referred in writing by any party claimed to be aggrieved, in the case of any position of employment by the state or any of its political subdivisions, except by any school district, to the civil service commission, in the case of any position of employment by any school district, to the commissioner of education, who shall determine such question and in the case of any other employer, a party claiming to be aggrieved may file a complaint with the division pursuant to this article. Any such determination by the civil service commission shall be reviewable in the manner provided by article seventy-eight of the civil practice law and rules and any such determination by the commissioner of education shall be reviewable in the manner and to the same extent as other determinations of the commissioner under section three hundred ten of the education law.

**11.** Nothing contained in this section shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, which is operated, supervised or controlled by or in connection with a religious organization,

from limiting employment or sales or rental of housing accommodations or admission to or giving preference to persons of the same religion or denomination or from taking such action as is calculated by such organization to promote the religious principles for which it is established or maintained.

**12.** Notwithstanding the provisions of subdivisions one, one-a and three-a of this section, it shall not be an unlawful discriminatory practice for an employer, employment agency, labor organization or joint labor-management committee to carry out a plan, approved by the division, to increase the employment of members of a minority group (as may be defined pursuant to the regulations of the division) which has a state-wide unemployment rate that is disproportionately high in comparison with the state-wide unemployment rate of the general population. Any plan approved under this subdivision shall be in writing and the division's approval thereof shall be for a limited period and may be rescinded at any time by the division.

**13.** It shall be an unlawful discriminatory practice (i) for any person to boycott or blacklist, or to refuse to buy from, sell to or trade with, or otherwise discriminate against any person, because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, status as a victim of domestic violence, disability, or familial status, of such person, or of such person's partners, members, stockholders, directors, officers, managers, superintendents, agents, employees, business associates, suppliers or customers, or (ii) for any person willfully to do any act or refrain from doing any act which enables any such person to take such action. This subdivision shall not apply to:

- (a) Boycotts connected with labor disputes; or
- (b) Boycotts to protest unlawful discriminatory practices.

**14.** In addition to reasonable modifications in policies, practices, or procedures, including those defined in subparagraph (iv) of paragraph (d) of subdivision two of this section or reasonable accommodations for persons with disabilities as otherwise provided in this section, including the use of an animal as a reasonable accommodation, it shall be an unlawful discriminatory practice for any person engaged in any activity covered by this section to deny access or otherwise to discriminate against a blind person, a person who is deaf or hard of hearing or a person with another disability because he or she is accompanied by a dog that has been trained to work or perform specific tasks for the benefit of such person by a professional guide dog, hearing dog or service dog training center or professional guide dog, hearing dog or service dog trainer, or to discriminate against such professional guide dog, hearing dog or service dog trainer engaged in such training of a dog for use by a person with a disability, whether or not accompanied by the person for whom the dog is being trained.

**15.** It shall be an unlawful discriminatory practice for any person, agency, bureau, corporation or association, including the state and any political subdivision thereof, to deny any license or employment to any individual by reason of his or her having been convicted of one or more criminal offenses, or by reason of a finding of a lack of "good moral character" which is based upon his or her having been convicted of one or more criminal offenses, when such denial is in violation of the provisions of [article twenty-three-A of the correction law](#). Further, there shall be

a rebuttable presumption in favor of excluding from evidence the prior incarceration or conviction of any person, in a case alleging that the employer has been negligent in hiring or retaining an applicant or employee, or supervising a hiring manager, if after learning about an applicant or employee's past criminal conviction history, such employer has evaluated the factors set forth in section seven hundred fifty-two of the correction law, and made a reasonable, good faith determination that such factors militate in favor of hire or retention of that applicant or employee.

**16.** It shall be an unlawful discriminatory practice, unless specifically required or permitted by statute, for any person, agency, bureau, corporation or association, including the state and any political subdivision thereof, to make any inquiry about, whether in any form of application or otherwise, or to act upon adversely to the individual involved, any arrest or criminal accusation of such individual not then pending against that individual which was followed by a termination of that criminal action or proceeding in favor of such individual, as defined in subdivision two of section 160.50 of the criminal procedure law, or by an order adjourning the criminal action in contemplation of dismissal, pursuant to section 170.55, 170.56, 210.46, 210.47, or 215.10 of the criminal procedure law, or by a youthful offender adjudication, as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law or by a conviction which is sealed pursuant to section 160.59 or 160.58 of the criminal procedure law, in connection with the licensing, housing, employment, including volunteer positions, or providing of credit or insurance to such individual; provided, further, that no person shall be required to divulge information pertaining to any arrest or criminal accusation of such individual not then pending against that individual which was followed by a termination of that criminal action or proceeding in favor of such individual, as defined in subdivision two of section 160.50 of the criminal procedure law, or by an order adjourning the criminal action in contemplation of dismissal, pursuant to section 170.55, 170.56, 210.46, 210.47, or 215.10 of the criminal procedure law, or by a youthful offender adjudication, as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law, or by a conviction which is sealed pursuant to section 160.58 or 160.59 of the criminal procedure law. An individual required or requested to provide information in violation of this subdivision may respond as if the arrest, criminal accusation, or disposition of such arrest or criminal accusation did not occur. The provisions of this subdivision shall not apply to the licensing activities of governmental bodies in relation to the regulation of guns, firearms and other deadly weapons or in relation to an application for employment as a police officer or peace officer as those terms are defined in subdivisions thirty-three and thirty-four of section 1.20 of the criminal procedure law; provided further that the provisions of this subdivision shall not apply to an application for employment or membership in any law enforcement agency with respect to any arrest or criminal accusation which was followed by a youthful offender adjudication, as defined in subdivision one of section 720.35 of the criminal procedure law, or by a conviction for a violation sealed pursuant to section 160.55 of the criminal procedure law, or by a conviction which is sealed pursuant to section 160.58 or 160.59 of the criminal procedure law. For purposes of this subdivision, an action which has been adjourned in contemplation of dismissal, pursuant to section 170.55 or 170.56, 210.46, 210.47 or 215.10 of the criminal procedure law, shall not be considered a pending action, unless the order to adjourn in contemplation of dismissal is revoked and the case is restored to the calendar for further prosecution.

**17.** Nothing in this section shall prohibit the offer and acceptance of a discount to a person sixty-five years of age or older for housing accommodations.

**18.** It shall be an unlawful discriminatory practice for the owner, lessee, sub-lessee, assignee, or managing agent of, or other person having the right of ownership of or possession of or the right to rent or lease housing accommodations:

(1) To refuse to permit, at the expense of a person with a disability, reasonable modifications of existing premises occupied or to be occupied by the said person, if the modifications may be necessary to afford the said person full enjoyment of the premises, in conformity with the provisions of the New York state uniform fire prevention and building code except that, in the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter's agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted.

(2) To refuse to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford said person with a disability equal opportunity to use and enjoy a dwelling, including the use of an animal as a reasonable accommodation to alleviate symptoms or effects of a disability, and including reasonable modification to common use portions of the dwelling, or

(3) In connection with the design and construction of covered multi-family dwellings for first occupancy after March thirteenth, nineteen hundred ninety-one, a failure to design and construct dwellings in accordance with the accessibility requirements for multi-family dwellings found in the New York state uniform fire prevention and building code to provide that:

- (i) The public use and common use portions of the dwellings are readily accessible to and usable by persons with disabilities;
- (ii) All the doors are designed in accordance with the New York state uniform fire prevention and building code to allow passage into and within all premises and are sufficiently wide to allow passage by persons in wheelchairs; and
- (iii) All premises within covered multi-family dwelling units contain an accessible route into and through the dwelling; light switches, electrical outlets, thermostats, and other environmental controls are in accessible locations; there are reinforcements in the bathroom walls to allow later installation of grab bars; and there are usable kitchens and bathrooms such that an individual in a wheelchair can maneuver about the space, in conformity with the New York state uniform fire prevention and building code.

**19.** (a) Except as provided in paragraph (b) of this subdivision, it shall be an unlawful discriminatory practice of any employer, labor organization, employment agency, licensing agency, or its employees, agents, or members:

(1) to directly or indirectly solicit, require, or administer a genetic test to a person, or solicit or require information from which a predisposing genetic characteristic can be inferred as a

condition of employment, pre-employment application, labor organization membership, or licensure; or

(2) to buy or otherwise acquire the results or interpretation of an individual's genetic test results or information from which a predisposing genetic characteristic can be inferred or to make an agreement with an individual to take a genetic test or provide genetic test results or such information.

(b) An employer may require a specified genetic test as a condition of employment where such a test is shown to be directly related to the occupational environment, such that the employee or applicant with a particular genetic anomaly might be at an increased risk of disease as a result of working in said environment.

(c) Nothing in this section shall prohibit the genetic testing of an employee who requests a genetic test and who provides written and informed consent to taking a genetic test for any of the following purposes:

(1) pursuant to a workers' compensation claim;

(2) pursuant to civil litigation; or

(3) to determine the employee's susceptibility to potentially carcinogenic, toxic, or otherwise hazardous chemicals or substances found in the workplace environment only if the employer does not terminate the employee or take any other action that adversely affects any term, condition or privilege of employment pursuant to the genetic test results.

(d) If an employee consents to genetic testing for any of the aforementioned allowable reasons, he or she must be given and sign an authorization of consent form which explicitly states the specific purpose, uses and limitations of the genetic tests and the specific traits or characteristics to be tested.

**20.** [repealed]

**21.** Nothing in this section shall prohibit the offer and acceptance of a discount for housing accommodations to a person with a disability, as defined in subdivision twenty-one of section two hundred ninety-two of this article.

**22.** (a) It shall be an unlawful discriminatory practice for an employer or licensing agency, because of any individual's status as a victim of domestic violence, to refuse to hire or employ or license or to bar or to discharge from employment such individual or to discriminate against such individual in compensation or in terms, conditions or privileges of employment.

(b) It shall be an unlawful discriminatory practice for an employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment which expresses, directly or indirectly, any limitation, specification or discrimination as to status as a victim of domestic violence, or any intent to make any such

limitation, specification or discrimination; provided, however, that no provision of this subdivision shall be construed to prohibit the employer from making any inquiry or obtaining information for the purpose of providing assistance to, or a reasonable accommodation in accordance with the provisions of this subdivision to, a victim of domestic violence.

(c)(1) It shall be an unlawful discriminatory practice for an employer to refuse to provide a reasonable accommodation to an employee who is known by the employer to be a victim of domestic violence, limited to those accommodations set forth in subparagraph two of this paragraph, when such employee must be absent from work for a reasonable time, unless such absence would cause an undue hardship to the employer as set forth in subparagraph three of this paragraph, provided, however that the employer may require an employee to charge any time off pursuant to this section against any leave with pay ordinarily granted, where available, unless otherwise provided for in a collective bargaining agreement or existing employee handbook or policy, and any such absence that cannot be charged may be treated as leave without pay. An employee who must be absent from work in accordance with subparagraph two of this paragraph shall be entitled to the continuation of any health insurance coverage provided by the employer, to which the employee is otherwise entitled during any such absence.

(2) An employer is required to provide a reasonable accommodation to an employee who is a victim of domestic violence who must be absent from work for a reasonable time, in accordance with the provisions of subparagraph one of this paragraph, limited to the following:

(i) Seeking medical attention for injuries caused by domestic violence including for a child who is a victim of domestic violence, provided that the employee is not the perpetrator of the domestic violence against the child; or

(ii) Obtaining services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence; or

(iii) Obtaining psychological counseling related to an incident or incidents of domestic violence, including for a child who is a victim of domestic violence, provided that the employee is not the perpetrator of the domestic violence against the child; or

(iv) Participating in safety planning and taking other actions to increase safety from future incidents of domestic violence, including temporary or permanent relocation; or

(v) Obtaining legal services, assisting in the prosecution of the offense, or appearing in court in relation to the incident or incidents of domestic violence.

(3) An employer is required to provide a reasonable accommodation for an employee's absence in accordance with the provisions of subparagraphs one and two of this paragraph unless the employer can demonstrate that the employee's absence would constitute an undue hardship to the employer. A determination of whether such an absence will constitute an undue hardship shall include consideration of factors such as:

(i) The overall size of the business, program or enterprise with respect to the number of employees, number and type of facilities, and size of budget; and

(ii) The type of operation in which the business, program or enterprise is engaged, including the composition and structure of the workforce.

(4) An employee who must be absent from work in accordance with the provisions of subparagraph one of this paragraph shall provide the employer with reasonable advance notice of the employee's absence, unless such advance notice is not feasible.

(5) An employee who must be absent from work in accordance with the provisions of subparagraph one of this paragraph and who cannot feasibly give reasonable advance notice of the absence in accordance with subparagraph four of this paragraph must, within a reasonable

time after the absence, provide a certification to the employer when requested by the employer. Such certification shall be in the form of:

- (i) A police report indicating that the employee or his or her child was a victim of domestic violence;
- (ii) A court order protecting or separating the employee or his or her child from the perpetrator of an act of domestic violence;
- (iii) Other evidence from the court or prosecuting attorney that the employee appeared in court; or
- (iv) Documentation from a medical professional, domestic violence advocate, health care provider, or counselor that the employee or his or her child was undergoing counseling or treatment for physical or mental injuries or abuse resulting in victimization from an act of domestic violence.

(6) Where an employee has a physical or mental disability resulting from an incident or series of incidents of domestic violence, such employee shall be treated in the same manner as an employee with any other disability, pursuant to the provisions of this section which provide that discrimination and refusal to provide reasonable accommodation of disability are unlawful discriminatory practices.

(d) To the extent allowed by law, employers shall maintain the confidentiality of any information regarding an employee's status as a victim of domestic violence.

#### **§ 296-a. Unlawful discriminatory practices in relation to credit.**

**1.** It shall be an unlawful discriminatory practice for any creditor or any officer, agent or employee thereof:

a. In the case of applications for credit with respect to the purchase, acquisition, construction, rehabilitation, repair or maintenance of any housing accommodation, land or commercial space to discriminate against any such applicant because of the race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, sex, marital status, status as a victim of domestic violence, disability, or familial status of such applicant or applicants or any member, stockholder, director, officer or employee of such applicant or applicants, or of the prospective occupants or tenants of such housing accommodation, land or commercial space, in the granting, withholding, extending or renewing, or in the fixing of the rates, terms or conditions of, any such credit;

b. To discriminate in the granting, withholding, extending or renewing, or in the fixing of the rates, terms or conditions of, any form of credit, on the basis of race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, sex, marital status, status as a victim of domestic violence, disability, or familial status;

c. To use any form of application for credit or use or make any record or inquiry which expresses, directly or indirectly, any limitation, specification, or discrimination as to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or

expression, military status, age, sex, marital status, status as a victim of domestic violence, disability, or familial status;

d. To make any inquiry of an applicant concerning his or her capacity to reproduce, or his or her use or advocacy of any form of birth control or family planning;

e. To refuse to consider sources of an applicant's income or to subject an applicant's income to discounting, in whole or in part, because of an applicant's race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, sex, marital status, status as a victim of domestic violence, childbearing potential, disability, or familial status;

f. To discriminate against a married person because such person neither uses nor is known by the surname of his or her spouse. This paragraph shall not apply to any situation where the use of a surname would constitute or result in a criminal act.

**2.** Without limiting the generality of subdivision one of this section, it shall be considered discriminatory if, because of an applicant's or class of applicants' race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, sex, marital status, status as a victim of domestic violence, or disability, or familial status, (i) an applicant or class of applicants is denied credit in circumstances where other applicants of like overall credit worthiness are granted credit, or (ii) special requirements or conditions, such as requiring co-obligors or reapplication upon marriage, are imposed upon an applicant or class of applicants in circumstances where similar requirements or conditions are not imposed upon other applicants of like overall credit worthiness.

**3.** It shall not be considered discriminatory if credit differentiations or decisions are based upon factually supportable, objective differences in applicants' overall credit worthiness, which may include reference to such factors as current income, assets and prior credit history of such applicants, as well as reference to any other relevant factually supportable data; provided, however, that no creditor shall consider, in evaluating the credit worthiness of an applicant, aggregate statistics or assumptions relating to race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, marital status, status as a victim of domestic violence or disability, or to the likelihood of any group of persons bearing or rearing children, or for that reason receiving diminished or interrupted income in the future.

**3-a.** It shall not be an unlawful discriminatory practice to consider age in determining credit worthiness when age has a demonstrable and statistically sound relationship to a determination of credit worthiness.

**4. a.** If so requested by an applicant for credit, a creditor shall furnish such applicant with a statement of the specific reasons for rejection of the applicant's application for credit.

b. If so requested in writing by an individual who is or was married, a creditor or credit reporting bureau shall maintain in its records a separate credit history for any such individual.

Such separate history shall include all obligations as to which such bureau has notice with respect to which any such person is or was individually or jointly liable.

5. No provision of this section providing spouses the right to separately apply for credit, borrow money, or have separate credit histories maintained shall limit or foreclose the right of creditors, under any other provision of law, to hold one spouse legally liable for debts incurred by the other.

6. Any person claiming to be aggrieved by an unlawful discriminatory practice engaged in by a regulated creditor, in lieu of the procedure set forth in section two hundred ninety-seven of this article, may file a verified complaint with the superintendent, as provided hereinafter; provided, however, that the filing of a complaint with either the superintendent or the division shall bar subsequent recourse to the other agency, as well as to any local commission on human rights, with respect to the grievance complained of.

7. In the case of a verified complaint filed with the superintendent the following procedures shall be followed:

a. After receipt of the complaint, the superintendent shall make a determination within thirty days of whether there is probable cause to believe that the person named in the complaint has engaged in or is engaging in an unlawful discriminatory practice. If the superintendent determines there is no such probable cause, the complaint shall be dismissed. If the superintendent determines that there is such probable cause, he or she shall attempt to resolve such complaint by conference and conciliation. If conciliation is achieved, the terms shall be recorded in a written agreement signed by the creditor and complainant, a copy of which shall be forwarded to the commissioner.

b. If conciliation is not achieved, the superintendent or his or her designated representative shall conduct a hearing with respect to the alleged violation of this section. All interested parties shall be entitled to adequate and timely notice of the hearing. Such parties shall have the right to be represented by counsel or by other representatives of their own choosing; to offer evidence and witnesses in their own behalf and to cross-examine other parties and witnesses; to have the power of subpoena exercised in their behalf; and to have access to a written record of such hearing. The superintendent or his or her representative shall not be bound by the strict rules of evidence prevailing in courts of law or equity. The testimony taken shall be under oath and a record shall be made of the proceedings. A written decision shall be made by the superintendent or his or her designated representative separately setting forth findings of fact and conclusions of law. A copy of such decision shall be forwarded to the commissioner.

c. If the superintendent finds that a violation of this section has occurred, the superintendent shall issue an order which shall do one or more of the following:

(1) impose a fine in an amount not to exceed ten thousand dollars for each violation, to be paid to the people of the state of New York;

(2) award compensatory damages to the person aggrieved by such violation;

(3) for a claim of sex discrimination only, award reasonable attorney's fees attributable to such claim to any prevailing party; provided, however, that a prevailing respondent or defendant in order to recover such reasonable attorney's fees must make a motion requesting such fees and show that the action or proceeding brought was frivolous. In no case shall attorney's fees be awarded to the department, nor shall the department be liable to a prevailing party for attorney's fees. In order to find the action or proceeding to be frivolous, the superintendent must find in writing one or more of the following:

(a) the action or proceeding was commenced, used or continued in bad faith, solely to delay or prolong the resolution of the litigation or to harass or maliciously injure another; or

(b) the action or proceeding was commenced or continued in bad faith without any reasonable basis and could not be supported by a good faith argument for an extension, modification or reversal of existing law. If the action or proceeding was promptly discontinued when the party or attorney learned or should have learned that the action or proceeding lacked such a reasonable basis, the court may find that the party or the attorney did not act in bad faith.

(4) require the regulated creditor to cease and desist from such unlawful discriminatory practices;

(5) require the regulated creditor to take such further affirmative action as will effectuate the purposes of this section, including, but not limited to, granting the credit which was the subject of the complaint.

c. If the superintendent finds that a violation of this section has occurred, the superintendent shall issue an order which shall do one or more of the following:

(1) impose a fine in an amount not to exceed ten thousand dollars for each violation, to be paid to the people of the state of New York;

(2) award compensatory damages to the person aggrieved by such violation;

(3) require the regulated creditor to cease and desist from such unlawful discriminatory practices;

(4) require the regulated creditor to take such further affirmative action as will effectuate the purposes of this section, including, but not limited to, granting the credit which was the subject of the complaint.

d. Any complainant, respondent or other person aggrieved by any order or final determination of the superintendent may obtain judicial review thereof.

**8.** Where the superintendent makes a determination that a regulated creditor has engaged in or is engaging in discriminatory practices, the superintendent is empowered to issue appropriate orders to such creditor pursuant to the banking law. Such orders may be issued without the necessity of a complaint being filed by an aggrieved person.

**9.** Whenever any creditor makes application to the superintendent or the banking board to take any action requiring consideration by the superintendent or such board of the public interest and the needs and convenience thereof, or requiring a finding that the financial responsibility, experience, charter, and general fitness of the applicant, and of the members thereof if the applicant be a co-partnership or association, and of the officers and directors thereof if the applicant be a corporation, are such as to command the confidence of the community and to warrant belief that the business will be operated honestly, fairly, and efficiently, such creditor shall certify to the superintendent compliance with the provisions of this section. In the event that the records of the banking department show that such creditor has been found to be in violation of this section, such creditor shall describe what action has been taken with respect to its credit policies and procedures to remedy such violation or violations. The superintendent shall, in approving the foregoing applications and making the foregoing findings, give appropriate weight to compliance with this section.

**10.** Any complaint filed with the superintendent pursuant to this section shall be so filed within one year after the occurrence of the alleged unlawful discriminatory practice.

**11.** The superintendent is hereby empowered to promulgate rules and regulations hereunder to effectuate the purposes of this section.

**12.** The provisions of this section, as they relate to age, shall not apply to persons under the age of eighteen years.

**§ 296-b.** Repealed.

**§ 296-c. Unlawful discriminatory practices relating to interns.**

**1.** As used in this section, "Intern" means a person who performs work for an employer for the purpose of training under the following circumstances:

a. the employer is not committed to hire the person performing the work at the conclusion of the training period;

b. the employer and the person performing the work agree that the person performing the work is not entitled to wages for the work performed; and

c. the work performed:

- (1) provides or supplements training that may enhance the employability of the intern;
- (2) provides experience for the benefit of the person performing the work;
- (3) does not displace regular employees; and
- (4) is performed under the close supervision of existing staff.

**2. It shall be an unlawful discriminatory practice for an employer to:**

- a. refuse to hire or employ or to bar or to discharge from internship an intern or to discriminate against such intern in terms, conditions or privileges of employment as an intern because of the intern's age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, marital status, or status as a victim of domestic violence;
- b. discriminate against an intern in receiving, classifying, disposing or otherwise acting upon applications for internships because of the intern's age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, marital status, or status as a victim of domestic violence;
- c. print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment as an intern or to make any inquiry in connection with prospective employment, which expresses directly or indirectly, any limitation, specification or discrimination as to age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, marital status or status as a victim of domestic violence, or any intent to make any such limitation, specification or discrimination, unless based upon a bona fide occupational qualification; provided, however, that neither this paragraph nor any provision of this chapter or other law shall be construed to prohibit the department of civil service or the department of personnel of any city containing more than one county from requesting information from applicants for civil service internships or examinations concerning any of the aforementioned characteristics, other than sexual orientation, for the purpose of conducting studies to identify and resolve possible problems in recruitment and testing of members of minority groups to ensure the fairest possible and equal opportunities for employment in the civil service for all persons, regardless of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, military status, sex, disability, predisposing genetic characteristics, marital status or status as victim of domestic violence;
- d. to discharge, expel or otherwise discriminate against any person because he or she has opposed any practices forbidden under this article or because he or she has filed a complaint, testified or assisted in any proceeding under this article; or
- e. to compel an intern who is pregnant to take a leave of absence, unless the intern is prevented by such pregnancy from performing the activities involved in the job or occupation in a reasonable manner.

**3. It shall be an unlawful discriminatory practice for an employer to:**

a. engage in unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature to an intern when:

- (1) submission to such conduct is made either explicitly or implicitly a term or condition of the intern's employment;
- (2) submission to or rejection of such conduct by the intern is used as the basis for employment decisions affecting such intern; or
- (3) such conduct has the purpose or effect of unreasonably interfering with the intern's work performance by creating an intimidating, hostile, or offensive working environment; or

b. subject an intern to unwelcome harassment based on age, sex, race, creed, color, sexual orientation, gender identity or expression, military status, disability, predisposing genetic characteristics, marital status, status as a victim of domestic violence, national origin, citizenship or immigration status, or where such harassment has the purpose or effect of unreasonably interfering with the intern's work performance by creating an intimidating, hostile, or offensive working environment.

4. Nothing in this section shall affect any restrictions upon the activities of persons licensed by the state liquor authority with respect to persons under twenty-one years of age.

5. Nothing in this section shall create an employment relationship between an employer and an intern for the purposes of articles six, seven, eighteen or nineteen of the labor law.

**§ 296-d. Unlawful discriminatory practices relating to non-employees.** It shall be an unlawful discriminatory practice for an employer to permit unlawful discrimination against non-employees in its workplace. An employer may be held liable to a non-employee who is a contractor, subcontractor, vendor, consultant or other person providing services pursuant to a contract in the workplace or who is an employee of such contractor, subcontractor, vendor, consultant or other person providing services pursuant to a contract in the workplace, with respect to an unlawful discriminatory practice, when the employer, its agents or supervisors knew or should have known that such non-employee was subjected to an unlawful discriminatory practice in the employer's workplace, and the employer failed to take immediate and appropriate corrective action. In reviewing such cases involving non-employees, the extent of the employer's control and any other legal responsibility which the employer may have with respect to the conduct of the person who engaged in the unlawful discriminatory practice shall be considered.

**§ 297. Procedure.**

1. Any person claiming to be aggrieved by an unlawful discriminatory practice may, by himself or herself or his or her attorney-at-law, make, sign and file with the division a complaint in writing under oath or by declaration which shall state the name and address of the person alleged to have committed the unlawful discriminatory practice complained of and which shall set forth the particulars thereof and contain such other information as may be required by the

division. The commissioner of labor or the attorney general, or the executive director of the justice center for the protection of people with special needs, or the division on its own motion may, in like manner, make, sign and file such complaint. In connection with the filing of such complaint, the attorney general is authorized to take proof, issue subpoenas and administer oaths in the manner provided in the civil practice law and rules. Any employer whose employees, or some of them, refuse or threaten to refuse to cooperate with the provisions of this article, may file with the division a verified complaint asking for assistance by conciliation or other remedial action.

2. a. After the filing of any complaint, the division shall promptly serve a copy thereof upon the respondent and all persons it deems to be necessary parties, and make prompt investigation in connection therewith. Within one hundred eighty days after a complaint is filed, the division shall determine whether it has jurisdiction and, if so, whether there is probable cause to believe that the person named in the complaint, hereinafter referred to as the respondent, has engaged or is engaging in an unlawful discriminatory practice. If it finds with respect to any respondent that it lacks jurisdiction or that probable cause does not exist, the commissioner shall issue and cause to be served on the complainant an order dismissing such allegations of the said complaint as to such respondent.

b. Notwithstanding the provisions of paragraph a of this subdivision, with respect to housing discrimination only, after the filing of any complaint, the division shall, within thirty days after receipt, serve a copy thereof upon the respondent and all persons it deems to be necessary parties, and make prompt investigation in connection therewith. Within one hundred days after a complaint is filed, the division shall determine whether it has jurisdiction and, if so, whether there is probable cause to believe that the person named in the complaint, hereinafter referred to as the respondent, has engaged or is engaging in an unlawful discriminatory practice. If it finds with respect to any respondent that it lacks jurisdiction or that probable cause does not exist, the commissioner shall issue and cause to be served on the complainant an order dismissing such allegations of the said complaint as to such respondent.

3. a. If in the judgment of the division the circumstances so warrant, it may, at any time after the filing of the complaint, endeavor to eliminate such unlawful discriminatory practice by conference, conciliation and persuasion. Each conciliation agreement shall include provisions requiring the respondent to refrain from the commission of unlawful discriminatory practices in the future and may contain such further provisions as may be agreed upon by the division, the complainant, and the respondent, including a provision for the entry in the supreme court in any county in the judicial district where the alleged unlawful discriminatory practice was committed, or where any respondent resides or maintains an office for the transaction of business, or where the housing accommodation, land or commercial space specified in the complaint is located, of a consent decree embodying the terms of the conciliation agreement. The division shall not disclose what has transpired in the course of such endeavors.

b. If a conciliation agreement is entered into, the division shall issue an order embodying such agreement and serve a copy of such order upon all parties to the proceeding, and if a party to any such proceeding is a regulated creditor, the division shall forward a copy of the order embodying such agreement to the superintendent.

c. If the division finds that noticing the complaint for hearing would be undesirable, the division may, in its unreviewable discretion, at any time prior to a hearing before a hearing examiner, dismiss the complaint on the grounds of administrative convenience. However, in cases of housing discrimination only, an administrative convenience dismissal will not be rendered without the consent of the complainant. The division may, subject to judicial review, dismiss the complaint on the grounds of untimeliness if the complaint is untimely or on the grounds that the election of remedies is annulled.

4. a. Within two hundred seventy days after a complaint is filed, or within one hundred twenty days after the court has reversed and remanded an order of the division dismissing a complaint for lack of jurisdiction or for want of probable cause, unless the division has dismissed the complaint or issued an order stating the terms of a conciliation agreement not objected to by the complainant, the division shall cause to be issued and served a written notice, together with a copy of such complaint, as the same may have been amended, requiring the respondent or respondents to answer the charges of such complaint and appear at a public hearing before a hearing examiner at a time not less than five nor more than fifteen days after such service and at a place to be fixed by the division and specified in such notice. The place of any such hearing shall be the office of the division or such other place as may be designated by the division. The case in support of the complaint shall be presented by one of the attorneys or agents of the division and, at the option of the complainant, by his or her attorney. With the consent of the division, the case in support of the complainant may be presented solely by his or her attorney. No person who shall have previously made the investigation, engaged in a conciliation proceeding or caused the notice to be issued shall act as a hearing examiner in such case. Attempts at conciliation shall not be received in evidence. At least two business days prior to the hearing the respondent shall, and any necessary party may, file a written answer to the complaint, sworn to subject to the penalties of perjury, with the division and serve a copy upon all other parties to the proceeding. A respondent who has filed an answer, or whose default in answering has been set aside for good cause shown may appear at such hearing in person or otherwise, with or without counsel, cross examine witnesses and the complainant and submit testimony. The complainant and all parties shall be allowed to present testimony in person or by counsel and cross examine witnesses. The hearing examiner may in his or her discretion permit any person who has a substantial personal interest to intervene as a party, and may require that necessary parties not already parties be joined. The division or the complainant shall have the power reasonably and fairly to amend any complaint, and the respondent and any other party shall have like power to amend his or her answer. The hearing examiner shall not be bound by the strict rules of evidence prevailing in courts of law or equity. The testimony taken at the hearing shall be under oath and a record made.

b. If the respondent fails to answer the complaint, the hearing examiner designated to conduct the hearing may enter the default and the hearing shall proceed on the evidence in support of the complaint. Such default may be set aside only for good cause shown upon equitable terms and conditions.

c. Within one hundred eighty days after the commencement of such hearing, a determination shall be made and an order served as hereinafter provided. If, upon all the evidence at the

hearing, the commissioner shall find that a respondent has engaged in any unlawful discriminatory practice as defined in this article, the commissioner shall state findings of fact and shall issue and cause to be served on such respondent an order, based on such findings and setting them forth, and including such of the following provisions as in the judgment of the division will effectuate the purposes of this article: (i) requiring such respondent to cease and desist from such unlawful discriminatory practice; (ii) requiring such respondent to take such affirmative action, including (but not limited to) hiring, reinstatement or upgrading of employees, with or without back pay, restoration to membership in any respondent labor organization, admission to or participation in a guidance program, apprenticeship training program, on the job training program or other occupational training or retraining program, the extension of full, equal and unsegregated accommodations, advantages, facilities and privileges to all persons, granting the credit which was the subject of any complaint, evaluating applicants for membership in a place of accommodation without discrimination based on race, creed, color, national origin, sex, disability or marital status, and without retaliation or discrimination based on opposition to practices forbidden by this article or filing a complaint, testifying or assisting in any proceeding under this article; (iii) awarding of compensatory damages to the person aggrieved by such practice; (iv) awarding of punitive damages, in cases of employment discrimination related to private employers, and, in cases of housing discrimination, with damages in housing discrimination cases in an amount not to exceed ten thousand dollars, to the person aggrieved by such practice; (v) requiring payment to the state of profits obtained by a respondent through the commission of unlawful discriminatory acts described in subdivision three b of section two hundred ninety six of this article; and (vi) assessing civil fines and penalties in an amount not to exceed fifty thousand dollars, to be paid to the state by a respondent found to have committed an unlawful discriminatory act, or not to exceed one hundred thousand dollars to be paid to the state by a respondent found to have committed an unlawful discriminatory act which is found to be willful, wanton or malicious; (vii) requiring a report of the manner of compliance. If, upon all the evidence, the commissioner shall find that a respondent has not engaged in any such unlawful discriminatory practice, he or she shall state findings of fact and shall issue and cause to be served on the complainant an order based on such findings and setting them forth dismissing the said complaint as to such respondent. A copy of each order issued by the commissioner shall be delivered in all cases to the attorney general, the secretary of state, if he or she has issued a license to the respondent, and such other public officers as the division deems proper, and if any such order issued by the commissioner concerns a regulated creditor, the commissioner shall forward a copy of any such order to the superintendent. A copy of any complaint filed against any respondent who has previously entered into a conciliation agreement pursuant to paragraph a of subdivision three of this section or as to whom an order of the division has previously been entered pursuant to this paragraph shall be delivered to the attorney general, to the secretary of state if he or she has issued a license to the respondent and to such other public officers as the division deems proper, and if any such respondent is a regulated creditor, the commissioner shall forward a copy of any such complaint to the superintendent.

d. The division shall establish rules of practice to govern, expedite and effectuate the foregoing procedure and its own actions thereunder.

e. Any civil penalty imposed pursuant to this subdivision shall be separately stated, and shall be in addition to and not reduce or offset any other damages or payment imposed upon a respondent pursuant to this article. In cases of employment discrimination where the employer has fewer than fifty employees, such civil fine or penalty may be paid in reasonable installments, in accordance with regulations promulgated by the division. Such regulations shall require the payment of reasonable interest resulting from the delay, and in no case permit installments to be made over a period longer than three years.

5. Any complaint filed pursuant to this section must be so filed within one year after the alleged unlawful discriminatory practice. In cases of sexual harassment in employment, any complaint filed pursuant to this section must be so filed within three years after the alleged unlawful discriminatory practices.

6. At any time after the filing of a complaint with the division alleging an unlawful discriminatory practice under this article, if the division determines that the respondent is doing or procuring to be done any act tending to render ineffectual any order the commissioner may enter in such proceeding, the commissioner may apply to the supreme court in any county where the alleged unlawful discriminatory practice was committed, or where any respondent resides or maintains an office for the transaction of business, or if the complaint alleges an unlawful discriminatory practice under subdivision two a or paragraph (a), (b) or (c) of subdivision five of section two hundred ninety six of this article, where the housing accommodation, land or commercial space specified in the complaint is located, or, if no supreme court justice is available in such county, in any other county within the judicial district, for an order requiring the respondents or any of them to show cause why they should not be enjoined from doing or procuring to be done such act. The order to show cause may contain a temporary restraining order and shall be served in the manner provided therein. On the return date of the order to show cause, and after affording all parties an opportunity to be heard, if the court deems it necessary to prevent the respondents from rendering ineffectual an order relating to the subject matter of the complaint, it may grant appropriate injunctive relief upon such terms and conditions as it deems proper.

7. Not later than one year from the date of a conciliation agreement or an order issued under this section, and at any other times in its discretion, the division shall investigate whether the respondent is complying with the terms of such agreement or order. Upon a finding of non compliance, the division shall take appropriate action to assure compliance.

8. No officer, agent or employee of the division shall make public with respect to a particular person without his consent information from reports obtained by the division except as necessary to the conduct of a proceeding under this section.

9. Any person claiming to be aggrieved by an unlawful discriminatory practice shall have a cause of action in any court of appropriate jurisdiction for damages, including, in cases of employment discrimination related to private employers and housing discrimination only, punitive damages, and such other remedies as may be appropriate, including any civil fines and penalties provided in subdivision four of this section, unless such person had filed a complaint hereunder or with any local commission on human rights, or with the superintendent pursuant to

the provisions of section two hundred ninety six a of this article, provided that, where the division has dismissed such complaint on the grounds of administrative convenience, on the grounds of untimeliness, or on the grounds that the election of remedies is annulled, such person shall maintain all rights to bring suit as if no complaint had been filed with the division. At any time prior to a hearing before a hearing examiner, a person who has a complaint pending at the division may request that the division dismiss the complaint and annul his or her election of remedies so that the human rights law claim may be pursued in court, and the division may, upon such request, dismiss the complaint on the grounds that such person's election of an administrative remedy is annulled. Notwithstanding subdivision (a) of section two hundred four of the civil practice law and rules, if a complaint is so annulled by the division, upon the request of the party bringing such complaint before the division, such party's rights to bring such cause of action before a court of appropriate jurisdiction shall be limited by the statute of limitations in effect in such court at the time the complaint was initially filed with the division. Any party to a housing discrimination complaint shall have the right within twenty days following a determination of probable cause pursuant to subdivision two of this section to elect to have an action commenced in a civil court, and an attorney representing the division of human rights will be appointed to present the complaint in court, or, with the consent of the division, the case may be presented by complainant's attorney. A complaint filed by the equal employment opportunity commission to comply with the requirements of 42 USC 2000e 5(c) and 42 USC 12117(a) and 29 USC 633(b) shall not constitute the filing of a complaint within the meaning of this subdivision. No person who has initiated any action in a court of competent jurisdiction or who has an action pending before any administrative agency under any other law of the state based upon an act which would be an unlawful discriminatory practice under this article, may file a complaint with respect to the same grievance under this section or under section two hundred ninety six a of this article. In cases of housing discrimination only, a person whose complaint has been dismissed by the division after investigation for lack of jurisdiction or lack of probable cause may file the same cause of action in a court of appropriate jurisdiction pursuant to this section, unless judicial review of such dismissal has been sought pursuant to section two hundred ninety-eight of this article. The attorney general shall have the power to commence an action or proceeding in the supreme court of the state of New York, if, upon information or belief, the attorney general is of the opinion that an employer has been, is, or is about to violate the provisions regarding unlawful discriminatory retaliation pursuant to subdivision seven of section two hundred ninety-six of this article. Nothing in this section shall in any way limit rights or remedies which are otherwise available under law to the attorney general or any other person authorized to bring an action under this section.

**10. [Effective until February 1, 2022:** With respect to all cases of housing discrimination and housing-related credit discrimination in] **[Effective February 1, 2022:** In] an action or proceeding at law under this section or section two hundred ninety eight of this article, the commissioner or the court may in its discretion award reasonable attorney's fees to any prevailing or substantially prevailing party; **[Deleted effective February 1, 2022:** and with respect to a claim of credit discrimination where sex is a basis of such discrimination, and with respect to all claims of employment discrimination in an action or proceeding at law under this section or section two hundred ninety-eight of this article, the commissioner or the court may in its discretion award reasonable attorney's fees attributable to such claim to any prevailing party;] provided, however, that a prevailing respondent or defendant in order to recover such reasonable

In no case shall attorney's fees be awarded to the division, nor shall the division be liable to a prevailing or substantially prevailing party for attorney's fees, except in a case in which the division is a party to the action or the proceeding in the division's capacity as an employer. **[Added effective February 1, 2022:** Expert witness fees may be awarded in the same manner as attorney's fees.] In cases of employment discrimination, a respondent shall only be liable for attorney's fees under this subdivision if the respondent has been found liable for having committed an unlawful discriminatory practice. In order to find the action or proceeding to be frivolous, the court or the commissioner must find in writing one or more of the following:

- (a) the action or proceeding was commenced, used or continued in bad faith, solely to delay or prolong the resolution of the litigation or to harass or maliciously injure another; or
- (b) the action or proceeding was commenced or continued in bad faith without any reasonable basis and could not be supported by a good faith argument for an extension, modification or reversal of existing law. If the action or proceeding was promptly discontinued when the party or attorney learned or should have learned that the action or proceeding lacked such a reasonable basis, the court may find that the party or the attorney did not act in bad faith.

## **§ 298. Judicial review and enforcement.**

Any complainant, respondent or other person aggrieved by an order of the commissioner which is an order after public hearing, a cease and desist order, an order awarding damages, an order dismissing a complaint, or by an order of the division which makes a final disposition of a complaint may obtain judicial review thereof, and the division may obtain an order of court for its enforcement and for the enforcement of any order of the commissioner which has not been appealed to the court, in a proceeding as provided in this section. Such proceeding shall be brought in the Supreme Court in the county wherein the unlawful discriminatory practice which is the subject of the order occurs or wherein any person required in the order to cease and desist from an unlawful discriminatory practice or to take other affirmative action resides or transacts business. Such proceeding shall be initiated by the filing of a notice of petition and petition in such court. Thereafter, at a time and in a manner to be specified by rules of court, the division shall file with the court a written transcript of the record of all prior proceedings. Upon the filing of a notice of petition and petition, the court shall have jurisdiction of the proceeding and of the questions determined therein, except that where the order sought to be reviewed was made as a result of a public hearing held pursuant to paragraph a of subdivision four of section two hundred ninety seven of this article, the court shall make an order directing that the proceeding be transferred for disposition to the appellate division of the supreme court in the judicial department embracing the county in which the proceeding was commenced. The court shall have power to grant such temporary relief or restraining order as it deems just and proper, and to make and enter upon the pleadings, testimony, and proceedings set forth in such transcript an order

enforcing, modifying, and enforcing as so modified, or setting aside in whole or in part such order. No objection that has not been urged in prior proceedings shall be considered by the court, unless the failure or neglect to urge such objection shall be excused because of extraordinary circumstances. Any party may move the court to remit the case to the division in the interests of justice for the purpose of adducing additional specified and material evidence and seeking findings thereon, provided he or she shows reasonable grounds for the failure to adduce such evidence in prior proceedings. The findings of facts on which such order is based shall be conclusive if supported by sufficient evidence on the record considered as a whole. All such proceedings shall be heard and determined by the court and any appeal taken from its judgment or order shall be reviewed by the appropriate appellate court as expeditiously as possible and with lawful precedence over other matters. The jurisdiction of the courts over these proceedings, as provided for herein, shall be exclusive and their judgments and orders shall be final, subject to appellate review in the same manner and form and with the same effect as provided for appeals from a judgment in a special proceeding. The division's copy of the testimony shall be available at all reasonable times to all parties for examination without cost and for the purposes of judicial review of such order. Any appeal under this section and any proceeding, if instituted under article seventy eight of the civil practice law and rules to which the division or the board is a party shall be heard on the record without requirement of printing. The division may appear in court by one of its attorneys. A proceeding under this section when instituted by any complainant, respondent or other person aggrieved must be instituted within sixty days after the service of such order. In cases of housing discrimination only, a complaint dismissed after investigation for lack of jurisdiction or lack of probable cause may either be appealed pursuant to this section or the same cause of action may be filed in a court of appropriate jurisdiction pursuant to section two hundred ninety-seven of this article.

**§ 298-a. Application of article to certain acts committed outside the state of New York.**

1. The provisions of this article shall apply as hereinafter provided to an act committed outside this state against a resident of this state or against a corporation organized under the laws of this state or authorized to do business in this state, if such act would constitute an unlawful discriminatory practice if committed within this state.

2. If a resident person or domestic corporation violates any provision of this article by virtue of the provisions of this section, this article shall apply to such person or corporation in the same manner and to the same extent as such provisions would have applied had such act been committed within this state except that the penal provisions of such article shall not be applicable.

3. If a non-resident person or foreign corporation violates any provision of this article by virtue of the provisions of this section, such person or corporation shall be prohibited from transacting any business within this state. Except as otherwise provided in this subdivision, the provisions of section two hundred ninety-seven of this article governing the procedure for determining and processing unlawful discriminatory practices shall apply to violations defined by this subdivision insofar as such provisions are or can be made applicable. If the division of human rights has

reason to believe that a non-resident person or foreign corporation has committed or is about to commit outside of this state an act which if committed within this state would constitute an unlawful discriminatory practice and that such act is in violation of any provision of this article by virtue of the provisions of this section, it shall serve a copy of the complaint upon such person or corporation by personal service either within or without the state or by registered mail, return receipt requested, directed to such person or corporation at his or her or its last known place of residence or business, together with a notice requiring such person or corporation to appear at a hearing, specifying the time and place thereof, and to show cause why a cease and desist order should not be issued against such person or corporation. If such person or corporation shall fail to appear at such hearing or does not show sufficient cause why such order should not be issued, the division shall cause to be issued and served upon such person or corporation an order to cease or desist from the act or acts complained of. Failure to comply with any such order shall be followed by the issuance by the division of an order prohibiting such person or corporation from transacting any business within this state. A person or corporation who or which transacts business in this state in violation of any such order is guilty of a class A misdemeanor. Any order issued pursuant to this subdivision may be vacated by the division upon satisfactory proof of compliance with such order. All orders issued pursuant to this subdivision shall be subject to judicial review in the manner prescribed by article seventy-eight of the civil practice law and rules.

**§ 299. Penal provision.**

Any person, employer, labor organization or employment agency, who or which shall willfully resist, prevent, impede or interfere with the division or any of its employees or representatives in the performance of duty under this article, or shall willfully violate an order of the division or commissioner, shall be guilty of a misdemeanor and be punishable by imprisonment in a penitentiary, or county jail, for not more than one year, or by a fine of not more than five hundred dollars, or by both; but procedure for the review of the order shall not be deemed to be such willful conduct.

**§ 300. Construction.**

The provisions of this article shall be construed liberally for the accomplishment of the remedial purposes thereof, regardless of whether federal civil rights laws, including those laws with provisions worded comparably to the provisions of this article, have been so construed. Exceptions to and exemptions from the provisions of this article shall be construed narrowly in order to maximize deterrence of discriminatory conduct. Nothing contained in this article shall be deemed to repeal any of the provisions of the civil rights law or any other law of this state relating to discrimination; but, as to acts declared unlawful by section two hundred ninety six of this article, the procedure herein provided shall, while pending, be exclusive; and the final determination therein shall exclude any other state civil court action based on the same grievance of the individual concerned. If such individual institutes any action based on such grievance without resorting to the procedure provided in this article, he or she may not subsequently resort to the procedure herein.

**§ 301. Separability.**

If any clause, sentence, paragraph or part of this article or the application thereof to any person or circumstances, shall, for any reason, be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this article.

# **General Provisions of Laws Covering Workers on Article 8 Public Work Contracts**

## **Introduction**

The Labor Law requires public work contractors and subcontractors to pay laborers, workers, or mechanics employed in the performance of a public work contract not less than the prevailing rate of wage and supplements (fringe benefits) in the locality where the work is performed.

## **Responsibilities of the Department of Jurisdiction**

A Department of Jurisdiction (Contracting Agency) includes a state department, agency, board or commission; a county, city, town or village; a school district, board of education or board of cooperative educational services; a sewer, water, fire, improvement and other district corporation; a public benefit corporation; and a public authority awarding a public work contract.

The Department of Jurisdiction (Contracting Agency) awarding a public work contract **MUST** obtain a Prevailing Rate Schedule listing the hourly rates of wages and supplements due the workers to be employed on a public work project. This schedule may be obtained by completing and forwarding a "Request for wage and Supplement Information" form (PW 39) to the Bureau of Public Work. The Prevailing Rate Schedule **MUST** be included in the specifications for the contract to be awarded and is deemed part of the public work contract.

Upon the awarding of the contract, the law requires that the Department of Jurisdiction (Contracting Agency) furnish the following information to the Bureau: the name and address of the contractor, the date the contract was let and the approximate dollar value of the contract. To facilitate compliance with this provision of the Labor Law, a copy of the Department's "Notice of Contract Award" form (PW 16) is provided with the original Prevailing Rate Schedule.

The Department of Jurisdiction (Contracting Agency) is required to notify the Bureau of the completion or cancellation of any public work project. The Department's PW 200 form is provided for that purpose.

Both the PW 16 and PW 200 forms are available for completion [online](#).

## **Hours**

No laborer, worker, or mechanic in the employ of a contractor or subcontractor engaged in the performance of any public work project shall be permitted to work more than eight hours in any day or more than five days in any week, except in cases of extraordinary emergency. The contractor and the Department of Jurisdiction (Contracting Agency) may apply to the Bureau of Public Work for a dispensation permitting workers to work additional hours or days per week on a particular public work project.

## **Wages and Supplements**

The wages and supplements to be paid and/or provided to laborers, workers, and mechanics employed on a public work project shall be not less than those listed in the current Prevailing Rate Schedule for the locality where the work is performed. If a prime contractor on a public work project has not been provided with a Prevailing Rate Schedule, the contractor must notify the Department of Jurisdiction (Contracting Agency) who in turn must request an original Prevailing Rate Schedule from the Bureau of Public Work. Requests may be submitted by: mail to NYSDOL, Bureau of Public Work, State Office Bldg. Campus, Bldg. 12, Rm. 130, Albany, NY 12226; Fax to Bureau of Public Work (518) 485-1870; or electronically at the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

Upon receiving the original schedule, the Department of Jurisdiction (Contracting Agency) is **REQUIRED** to provide complete copies to all prime contractors who in turn **MUST**, by law, provide copies of all applicable county schedules to each subcontractor and obtain from each subcontractor, an affidavit certifying such schedules were received. If the original schedule expired, the contractor may obtain a copy of the new annual determination from the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

The Commissioner of Labor makes an annual determination of the prevailing rates. This determination is in effect from July 1st through June 30th of the following year. The annual determination is available on the NYSDOL website [www.labor.ny.gov](http://www.labor.ny.gov).

## **Payrolls and Payroll Records**

Every contractor and subcontractor **MUST** keep original payrolls or transcripts subscribed and affirmed as true under penalty of perjury. As per Article 6 of the Labor law, contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records. At a minimum, payrolls must show the following information for each person employed on a public work project: Name, Address, Last 4 Digits of Social Security Number, Classification(s) in which the worker was employed, Hourly wage rate(s) paid, Supplements paid or provided, and Daily and weekly number of hours worked in each classification.

The filing of payrolls to the Department of Jurisdiction is a condition of payment. Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury. The Department of Jurisdiction (Contracting Agency) shall collect, review for facial validity, and maintain such payrolls.

In addition, the Commissioner of Labor may require contractors to furnish, with ten (10) days of a request, payroll records sworn to as their validity and accuracy for public work and private work. Payroll records include, but are not limited to time cards, work description sheets, proof that supplements were provided, cancelled payroll checks and payrolls. Failure to provide the requested information within the allotted ten (10) days will result in the withholding of up to 25% of the contract, not to exceed \$100,000.00. If the contractor or subcontractor does not maintain a place of business in New York State and the amount of the contract exceeds \$25,000.00, payroll records and certifications must be kept on the project worksite.

The prime contractor is responsible for any underpayments of prevailing wages or supplements by any subcontractor.

All contractors or their subcontractors shall provide to their subcontractors a copy of the Prevailing Rate Schedule specified in the public work contract as well as any subsequently issued schedules. A failure to provide these schedules by a contractor or subcontractor is a violation of Article 8, Section 220-a of the Labor Law.

All subcontractors engaged by a public work project contractor or its subcontractor, upon receipt of the original schedule and any subsequently issued schedules, shall provide to such contractor a verified statement attesting that the subcontractor has received the Prevailing Rate Schedule and will pay or provide the applicable rates of wages and supplements specified therein. (See NYS Labor Laws, Article 8 . Section 220-a).

### **Determination of Prevailing Wage and Supplement Rate Updates Applicable to All Counties**

The wages and supplements contained in the annual determination become effective July 1st whether or not the new determination has been received by a given contractor. Care should be taken to review the rates for obvious errors. Any corrections should be brought to the Department's attention immediately. It is the responsibility of the public work contractor to use the proper rates. If there is a question on the proper classification to be used, please call the district office located nearest the project. Any errors in the annual determination will be corrected and posted to the NYSDOL website on the first business day of each month. Contractors are responsible for paying these updated rates as well, retroactive to July 1st.

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. To the extent possible, the Department posts rates in its possession that cover periods of time beyond the July 1st to June 30th time frame covered by a particular annual determination. Rates that extend beyond that instant time period are informational ONLY and may be updated in future annual determinations that actually cover the then appropriate July 1st to June 30th time period.

### **Withholding of Payments**

When a complaint is filed with the Commissioner of Labor alleging the failure of a contractor or subcontractor to pay or provide the prevailing wages or supplements, or when the Commissioner of Labor believes that unpaid wages or supplements may be due, payments on the public work contract shall be withheld from the prime contractor in a sufficient amount to satisfy the alleged unpaid wages and supplements, including interest and civil penalty, pending a final determination.

When the Bureau of Public Work finds that a contractor or subcontractor on a public work project failed to pay or provide the requisite prevailing wages or supplements, the Bureau is authorized by Sections 220-b and 235.2 of the Labor Law to so notify the financial officer of the Department of Jurisdiction (Contracting Agency) that awarded the public work contract. Such officer MUST then withhold or cause to be withheld from any payment due the prime contractor on account of such contract the amount indicated by the Bureau as sufficient to satisfy the unpaid wages and supplements, including interest and any civil penalty that may be assessed by the Commissioner of Labor. The withholding continues until there is a final determination of the underpayment by the Commissioner of Labor or by the court in the event a legal proceeding is instituted for review of the determination of the Commissioner of Labor.

The Department of Jurisdiction (Contracting Agency) shall comply with this order of the Commissioner of Labor or of the court with respect to the release of the funds so withheld.

### **Summary of Notice Posting Requirements**

The current Prevailing Rate Schedule must be posted in a prominent and accessible place on the site of the public work project. The prevailing wage schedule must be encased in, or constructed of, materials capable of withstanding adverse weather conditions and be titled "PREVAILING RATE OF WAGES" in letters no smaller than two (2) inches by two (2) inches.

The ["Public Work Project"](#) notice must be posted at the beginning of the performance of every public work contract, on each job site.

Every employer providing workers. compensation insurance and disability benefits must post notices of such coverage in the format prescribed by the Workers. Compensation Board in a conspicuous place on the jobsite.

Every employer subject to the NYS Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers, notices furnished by the State Division of Human Rights.

Employers liable for contributions under the Unemployment Insurance Law must conspicuously post on the jobsite notices furnished by the NYS Department of Labor.

## **Apprentices**

Employees cannot be paid apprentice rates unless they are individually registered in a program registered with the NYS Commissioner of Labor. The allowable ratio of apprentices to journeyworkers in any craft classification can be no greater than the statewide building trade ratios promulgated by the Department of Labor and included with the Prevailing Rate Schedule. An employee listed on a payroll as an apprentice who is not registered as above or is performing work outside the classification of work for which the apprentice is indentured, must be paid the prevailing journeyworker's wage rate for the classification of work the employee is actually performing.

NYSDOL Labor Law, Article 8, Section 220-3, require that only apprentices individually registered with the NYS Department of Labor may be paid apprenticeship rates on a public work project. No other Federal or State Agency of office registers apprentices in New York State.

Persons wishing to verify the apprentice registration of any person must do so in writing by mail, to the NYSDOL Office of Employability Development / Apprenticeship Training, State Office Bldg. Campus, Bldg. 12, Albany, NY 12226 or by Fax to NYSDOL Apprenticeship Training (518) 457-7154. All requests for verification must include the name and social security number of the person for whom the information is requested.

The only conclusive proof of individual apprentice registration is written verification from the NYSDOL Apprenticeship Training Albany Central office. Neither Federal nor State Apprenticeship Training offices outside of Albany can provide conclusive registration information.

It should be noted that the existence of a registered apprenticeship program is not conclusive proof that any person is registered in that program. Furthermore, the existence or possession of wallet cards, identification cards, or copies of state forms is not conclusive proof of the registration of any person as an apprentice.

## **Interest and Penalties**

In the event that an underpayment of wages and/or supplements is found:

- Interest shall be assessed at the rate then in effect as prescribed by the Superintendent of Banks pursuant to section 14-a of the Banking Law, per annum from the date of underpayment to the date restitution is made.
- A Civil Penalty may also be assessed, not to exceed 25% of the total of wages, supplements, and interest due.

## **Debarment**

Any contractor or subcontractor and/or its successor shall be ineligible to submit a bid on or be awarded any public work contract or subcontract with any state, municipal corporation or public body for a period of five (5) years when:

- Two (2) willful determinations have been rendered against that contractor or subcontractor and/or its successor within any consecutive six (6) year period.
- There is any willful determination that involves the falsification of payroll records or the kickback of wages or supplements.

## **Criminal Sanctions**

## **Discrimination**

No employee or applicant for employment may be discriminated against on account of age, race, creed, color, national origin, sex, disability or marital status.

No contractor, subcontractor nor any person acting on its behalf, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates (NYS Labor Law, Article 8, Section 220-e(a)).

No contractor, subcontractor, nor any person acting on its behalf, shall in any manner, discriminate against or intimidate any employee on account of race, creed, color, disability, sex, or national origin (NYS Labor Law, Article 8, Section 220-e(b)).

The Human Rights Law also prohibits discrimination in employment because of age, marital status, or religion.

There may be deducted from the amount payable to the contractor under the contract a penalty of \$50.00 for each calendar day during which such person was discriminated against or intimidated in violation of the provision of the contract (NYS Labor Law, Article 8, Section 220-e(c) ).

The contract may be cancelled or terminated by the State or municipality. All monies due or to become due thereunder may be forfeited for a second or any subsequent violation of the terms or conditions of the anti-discrimination sections of the contract (NYS Labor Law, Article 8, Section 220-e(d) ).

Every employer subject to the New York State Human Rights Law must conspicuously post at its offices, places of employment, or employment training centers notices furnished by the State Division of Human Rights.

### **Workers' Compensation**

In accordance with Section 142 of the State Finance Law, the contractor shall maintain coverage during the life of the contract for the benefit of such employees as required by the provisions of the New York State Workers' Compensation Law.

A contractor who is awarded a public work contract must provide proof of workers' compensation coverage prior to being allowed to begin work.

The insurance policy must be issued by a company authorized to provide workers' compensation coverage in New York State. Proof of coverage must be on form C-105.2 (Certificate of Workers' Compensation Insurance) and must name this agency as a certificate holder.

The contractor must maintain proof that subcontractors doing work covered under this contract secured and maintained a workers' compensation policy for all employees working in New York State.

### **Social Security Numbers on Certified Payrolls:**

The Department of Labor is cognizant of the concerns of the potential for misuse or inadvertent disclosure of social security numbers. Identity theft is a growing problem and we are sympathetic to contractors' concern regarding inclusion of this information on payrolls if another identifier will suffice.

For these reasons, the substitution of the use of the last four digits of the social security number on certified payrolls submitted to contracting agencies on public work projects is now acceptable to the Department of Labor. This change does not affect the Department's ability to request and receive the entire social security number from employers during its public work/ prevailing wage investigations.

### **Construction Industry Fair Play Act: Required Posting for Labor Law Article 25-B § 861-d**

Construction industry employers must post the "Construction Industry Fair Play Act" notice in a prominent and accessible place on the job site. Failure to post the notice can result in penalties of up to \$1,500 for a first offense and up to \$5,000 for a second offense. The posting is included as part of this wage schedule. Additional copies may be obtained from the NYS DOL website, <https://dol.ny.gov/public-work-and-prevailing-wage>

### **Worker Notification: (Labor Law §220, paragraph a of subdivision 3-a)**

#### **Effective June 23, 2020**

This provision is an addition to the existing wage rate law, Labor Law §220, paragraph a of subdivision 3-a. It requires contractors and subcontractors to provide written notice to all laborers, workers or mechanics of the *prevailing wage and supplement rate* for their particular job classification *on each pay stub*\*. It also requires contractors and subcontractors to *post a notice* at the beginning of the performance of every public work contract *on each job site* that includes the telephone number and address for the Department of Labor and a statement informing laborers, workers or mechanics of their right to contact the Department of Labor if he/she is not receiving the proper prevailing rate of wages and/or supplements for his/her job classification. The required notification will be provided with each wage schedule, may be downloaded from our website [www.labor.ny.gov](http://www.labor.ny.gov) or be made available upon request by contacting the Bureau of Public Work at 518-457-5589. \*In the event the required information will not fit on the pay stub, an accompanying sheet or attachment of the information will suffice.

**To all State Departments, Agency Heads and Public Benefit Corporations  
IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

## **Budget Policy & Reporting Manual**

# **B-610**

### **Public Work Enforcement Fund**

*effective date December 7, 2005*

---

#### **1. Purpose and Scope:**

This Item describes the Public Work Enforcement Fund (the Fund, PWEF) and its relevance to State agencies and public benefit corporations engaged in construction or reconstruction contracts, maintenance and repair, and announces the recently-enacted increase to the percentage of the dollar value of such contracts that must be deposited into the Fund. This item also describes the roles of the following entities with respect to the Fund:

- New York State Department of Labor (DOL),
- The Office of the State of Comptroller (OSC), and
- State agencies and public benefit corporations.

#### **2. Background and Statutory References:**

DOL uses the Fund to enforce the State's Labor Law as it relates to contracts for construction or reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law. State agencies and public benefit corporations participating in such contracts are required to make payments to the Fund.

Chapter 511 of the Laws of 1995 (as amended by Chapter 513 of the Laws of 1997, Chapter 655 of the Laws of 1999, Chapter 376 of the Laws of 2003 and Chapter 407 of the Laws of 2005) established the Fund.

#### **3. Procedures and Agency Responsibilities:**

The Fund is supported by transfers and deposits based on the value of contracts for construction and reconstruction, maintenance and repair, as defined in subdivision two of Section 220 of the Labor Law, into which all State agencies and public benefit corporations enter.

Chapter 407 of the Laws of 2005 increased the amount required to be provided to this fund to .10 of one-percent of the total cost of each such contract, to be calculated at the time agencies or public benefit corporations enter into a new contract or if a contract is amended. The provisions of this bill became effective August 2, 2005.

**To all State Departments, Agency Heads and Public Benefit Corporations**  
**IMPORTANT NOTICE REGARDING PUBLIC WORK ENFORCEMENT FUND**

OSC will report to DOL on all construction-related ("D") contracts approved during the month, including contract amendments, and then DOL will bill agencies the appropriate assessment monthly. An agency may then make a determination if any of the billed contracts are exempt and so note on the bill submitted back to DOL. For any instance where an agency is unsure if a contract is or is not exempt, they can call the Bureau of Public Work at the number noted below for a determination. Payment by check or journal voucher is due to DOL within thirty days from the date of the billing. DOL will verify the amounts and forward them to OSC for processing.

For those contracts which are not approved or administered by the Comptroller, monthly reports and payments for deposit into the Public Work Enforcement Fund must be provided to the Administrative Finance Bureau at the DOL within 30 days of the end of each month or on a payment schedule mutually agreed upon with DOL.

Reports should contain the following information:

- Name and billing address of State agency or public benefit corporation;
- State agency or public benefit corporation contact and phone number;
- Name and address of contractor receiving the award;
- Contract number and effective dates;
- Contract amount and PWEF assessment charge (if contract amount has been amended, reflect increase or decrease to original contract and the adjustment in the PWEF charge); and
- Brief description of the work to be performed under each contract.

Checks and Journal Vouchers, payable to the "New York State Department of Labor" should be sent to:

Department of Labor  
Administrative Finance Bureau-PWEF Unit  
Building 12, Room 464  
State Office Campus  
Albany, NY 12226

Any questions regarding billing should be directed to NYSDOL's Administrative Finance Bureau-PWEF Unit at (518) 457-3624 and any questions regarding Public Work Contracts should be directed to the Bureau of Public Work at (518) 457-5589.

Required Notice under Article 25-B of the Labor Law

**Attention All Employees, Contractors and Subcontractors:  
You are Covered by the Construction Industry Fair Play Act**

**The law says that you are an employee unless:**

- You are free from direction and control in performing your job, **and**
- You perform work that is not part of the usual work done by the business that hired you, **and**
- You have an independently established business.

Your employer cannot consider you to be an independent contractor unless all three of these facts apply to your work.

**It is against the law for an employer to misclassify employees as independent contractors or pay employees off the books.**

**Employee Rights:** If you are an employee, you are entitled to state and federal worker protections. These include:

- Unemployment Insurance benefits, if you are unemployed through no fault of your own, able to work, and otherwise qualified,
- Workers' compensation benefits for on-the-job injuries,
- Payment for wages earned, minimum wage, and overtime (under certain conditions),
- Prevailing wages on public work projects,
- The provisions of the National Labor Relations Act, and
- A safe work environment.

It is a violation of this law for employers to retaliate against anyone who asserts their rights under the law. Retaliation subjects an employer to civil penalties, a private lawsuit or both.

**Independent Contractors:** If you are an independent contractor, **you must pay all taxes and Unemployment Insurance contributions required by New York State and Federal Law.**

**Penalties** for paying workers off the books or improperly treating employees as independent contractors:

- **Civil Penalty**
  - First offense: Up to \$2,500 per employee
  - Subsequent offense(s): Up to \$5,000 per employee
- **Criminal Penalty**

## Requirements for OSHA 10 Compliance

Article 8 §220-h requires that when the advertised specifications, for every contract for public work, is \$250,000.00 or more the contract must contain a provision requiring that every worker employed in the performance of a public work contract shall be certified as having completed an OSHA 10 safety training course. The clear intent of this provision is to require that all employees of public work contractors, required to be paid prevailing rates, receive such training "prior to the performing any work on the project."

### The Bureau will enforce the statute as follows:

All contractors and sub contractors must attach a copy of proof of completion of the OSHA 10 course to the first certified payroll submitted to the contracting agency and on each succeeding payroll where any new or additional employee is first listed.

Proof of completion may include but is not limited to:

- Copies of bona fide course completion card (*Note: Completion cards do not have an expiration date.*)
- Training roster, attendance record or other documentation from the certified trainer pending the issuance of the card.
- Other valid proof

\*\*A certification by the employer attesting that all employees have completed such a course is not sufficient proof that the course has been completed.

Any questions regarding this statute may be directed to the New York State Department of Labor, Bureau of Public Work at 518-457-5589.

## WICKS

Public work projects are subject to the Wicks Law requiring separate specifications and bidding for the plumbing, heating and electrical work, when the total project's threshold is \$3 million in Bronx, Kings, New York, Queens and, Richmond counties; \$1.5 million in Nassau, Suffolk and Westchester counties; and \$500,000 in all other counties.

For projects below the monetary threshold, bidders must submit a sealed list naming each subcontractor for the plumbing, HVAC and electrical and the amount to be paid to each. The list may not be changed unless the public owner finds a legitimate construction need, including a change in specifications or costs or the use of a Project Labor Agreement (PLA), and must be open to public inspection.

Allows the state and local agencies and authorities to waive the Wicks Law and use a PLA if it will provide the best work at the lowest possible price. If a PLA is used, all contractors shall participate in apprentice training programs in the trades of work it employs that have been approved by the Department of Labor (DOL) for not less than three years. They shall also have at least one graduate in the last three years and use affirmative efforts to retain minority apprentices. PLA's would be exempt from Wicks, but deemed to be public work subject to prevailing wage enforcement.

The Commissioner of Labor shall have the power to enforce separate specification requirements on projects, and may issue stop-bid orders against public owners for non-compliance.

Other new monetary thresholds, and similar sealed bidding for non-Wicks projects, would apply to certain public authorities including municipal housing authorities, NYC Construction Fund, Yonkers Educational Construction Fund, NYC Municipal Water Finance Authority, Buffalo Municipal Water Finance Authority, Westchester County Health Care Association, Nassau County Health Care Corp., Clifton-Fine Health Care Corp., Erie County Medical Center Corp., NYC Solid Waste Management Facilities, and the Dormitory Authority.

Contractors must pay subcontractors within a 7 days period.

## Introduction to the Prevailing Rate Schedule

### Information About Prevailing Rate Schedule

This information is provided to assist you in the interpretation of particular requirements for each classification of worker contained in the attached Schedule of Prevailing Rates.

#### Classification

It is the duty of the Commissioner of Labor to make the proper classification of workers taking into account whether the work is heavy and highway, building, sewer and water, tunnel work, or residential, and to make a determination of wages and supplements to be paid or provided. It is the responsibility of the public work contractor to use the proper rate. If there is a question on the proper classification to be used, please call the district office located nearest the project. District office locations and phone numbers are listed below.

Prevailing Wage Schedules are issued separately for "General Construction Projects" and "Residential Construction Projects" on a county-by-county basis.

General Construction Rates apply to projects such as: Buildings, Heavy & Highway, and Tunnel and Water & Sewer rates.

Residential Construction Rates generally apply to construction, reconstruction, repair, alteration, or demolition of one family, two family, row housing, or rental type units intended for residential use.

Some rates listed in the Residential Construction Rate Schedule have a very limited applicability listed along with the rate. Rates for occupations or locations not shown on the residential schedule must be obtained from the General Construction Rate Schedule. Please contact the local Bureau of Public Work office before using Residential Rate Schedules, to ensure that the project meets the required criteria.

#### Payrolls and Payroll Records

Contractors and subcontractors are required to establish, maintain, and preserve for not less than six (6) years, contemporaneous, true, and accurate payroll records.

Every contractor and subcontractor shall submit to the Department of Jurisdiction (Contracting Agency), within thirty (30) days after issuance of its first payroll and every thirty (30) days thereafter, a transcript of the original payrolls, subscribed and affirmed as true under penalty of perjury.

#### Paid Holidays

Paid Holidays are days for which an eligible employee receives a regular day's pay, but is not required to perform work. If an employee works on a day listed as a paid holiday, this remuneration is in addition to payment of the required prevailing rate for the work actually performed.

#### Overtime

At a minimum, all work performed on a public work project in excess of eight hours in any one day or more than five days in any workweek is overtime. However, the specific overtime requirements for each trade or occupation on a public work project may differ. Specific overtime requirements for each trade or occupation are contained in the prevailing rate schedules.

Overtime holiday pay is the premium pay that is required for work performed on specified holidays. It is only required where the employee actually performs work on such holidays.

The applicable holidays are listed under HOLIDAYS: OVERTIME. The required rate of pay for these covered holidays can be found in the OVERTIME PAY section listings for each classification.

#### Supplemental Benefits

Particular attention should be given to the supplemental benefit requirements. Although in most cases the payment or provision of supplements is straight time for all hours worked, some classifications require the payment or provision of supplements, or a portion of the supplements, to be paid or provided at a premium rate for premium hours worked. Supplements may also be required to be paid or provided on paid holidays, regardless of whether the day is worked. The Overtime Codes and Notes listed on the particular wage classification will indicate these conditions as required.

#### Effective Dates

When you review the schedule for a particular occupation, your attention should be directed to the dates above the column of rates. These are the dates for which a given set of rates is effective. The rate listed is valid until the next effective rate change or until the new annual determination which takes effect on July 1 of each year. All contractors and subcontractors are required to pay the current prevailing rates of wages and supplements. If you have any questions please contact the Bureau of Public Work or visit the New York State Department of Labor website ([www.labor.ny.gov](http://www.labor.ny.gov)) for current wage rate information.

#### Apprentice Training Ratios

The following are the allowable ratios of registered Apprentices to Journey-workers.

For example, the ratio 1:1,1:3 indicates the allowable initial ratio is one Apprentice to one Journeyworker. The Journeyworker must be in place on the project before an Apprentice is allowed. Then three additional Journeyworkers are needed before a second Apprentice is allowed. The last ratio repeats indefinitely. Therefore, three more Journeyworkers must be present before a third Apprentice can be hired, and so on.

Please call Apprentice Training Central Office at (518) 457-6820 if you have any questions.
